Newest to the Beachcomber Family is ?The Barn.? Once a functioning barn, this home was beautifully renovated by a local artist and can sleep up to eight guests but is cozy enough for those looking to travel alone, or in a smaller group.

The Ocean Chateau, one of Beachcomber?s newest and most popular homes, offers unparalleled beach views. From the living room, 2nd-floor master bedroom, or large back deck you can see the sand and the mighty Pacific Ocean are only steps away. With large windows on both floors, this truly luxurious home is the perfect spot for the picturesque beach getaway. Sleeping up to 10 people, this house is perfect for large groups traveling, private parties, reunions, and more. Next up on the list of new releases is Sand Dollar and Sand Dollar Escape. An oceanfront duplex, Sand Dollar (which sleeps 6) is the top floor and Sand Dollar Escape is both the top floor and the main level (sleeping 12 total). Boasting unobstructed Haystack Rock and ocean views, this spot is perfect for the next Cannon Beach getaway. In addition to being on the beach, Sand Dollar and Sand Dollar Escape are conveniently located in midtown, giving one and one's guests direct access to all that Cannon Beach has to offer.
