Palmdale Chiropractor Now Offering First-time Patients A Free Consultation

July 23, 2015

July 23, 2015 -

AV Chiropractic Health Center, a chiropractic practice based in the Antelope Valley, is now providing all first time clients with a free consultation that usually costs $265. Co-owner, Dr. Wayne Hodges, a Palmdale chiropractor, stated that this Internet offer will include a complete initial examination of their clients' body along with scans, if they are required.

AV Chiropractic Health Center provides a list of services that include massage therapy, decompression therapy and brain-based neurological therapy, as well as treatment for bulging and herniated discs, restless leg syndrome, insomnia, dizziness and balance problems, vertigo, diabetic neuropathy, and many others.

The 30-year-old practice is owned by Dr. Wayne Hodges and during that time, they have built a reputation as one of the top chiropractors in Palmdale, CA. Dr. Wayne Hodges makes the following statement: "At AV Chiropractic Health Center, we strive to serve you better. We offer treatment for many chronic ailments at affordable prices. We examine the root cause of your pain, which is the key to determining the perfect treatment. We follow the same procedure to eliminate your pain, regardless of its magnitude."

To get more details on the free offer provided by the chiropractic practice, clients are urged to visit their website at the following URL: avchiropractichealthcenter.com. Here, interested parties will also be able to find detailed information on the practice's payments and specials, insurance information and can read many of the helpful tips that they have provided on their blog. Dr. Wayne Hodges also stated the following: "Make sure you mention our new patient FREE Internet special which includes your initial consultation, complete examination and any necessary x-rays, a $265 value at absolutely no charge."

AV Chiropractic Health Center is open Monday to Friday between 8am and 6:30pm, and by appointment on Saturday. For those who require further information on the free offer or any of the services provided by the chiropractic practice, they are urged to email them via their contact page. Here, clients will also be able to locate the practice's telephone numbers so that they can call them directly.
