

FINTRX Releases Family Office "Impact Investor" Filter

May 21, 2019

May 21, 2019 - PRESSADVANTAGE -

Boston, Massachusetts - FINTRX has released a new ESG / Impact Investing search filter, designed to target family offices active in impact related investments. FINTRX users can seamlessly drill down into single and multi family offices who have both made impact investments in the past, as well as those who plan on doing so moving forward.

"Our new Impact Investor filter aims to help our clients seek out and identify those family office investors who are targeting impact investment opportunities. Currently, our team has identified over 250 family office impact investors, which are live on our FINTRX Platform," said FINTRX Business Systems Analyst Dylan Russo.

Those interested can find the formal announcement of this feature [here](#) to learn more. "We'd be happy to answer any questions, and you can contact the FINTRX team by way of our website," Russo says.

FINTRX is a leading provider of comprehensive investor intelligence in the field of family office data for asset raising professionals. The company offers the preeminent family office database solution and prospecting tool to the private capital markets. Interested parties can learn more about FINTRX on the company's website.
