May 21, 2019 - PRESSADVANTAGE -

Hilliard, OH (May 21, 2019) ? The Creative Kitchen Co., a kitchen remodeling company, has announced that they will now offer classic kitchen updates to their customers in the central Ohio area. Those who need to makeover an outdated room can consult the services of the professionals at The Creative Kitchen Co. to achieve a timeless and classic style in the kitchen that will continue to look contemporary in the coming years. The team of professionals at the company also work to create a functional setting that is easy to entertain in with regards to the layout and features included.

The team at The Creative Kitchen Co. has experience in updating kitchens to make them feel lighter and more functional to coordinate better with the rest of the home, which often means replacing oak materials on the cabinets. The team at the company can create a more functional space by reconfiguring key features to make them more practical and useful to accommodate the lifestyle of the residents.

Not only does the company use quality materials from the top manufacturers in the industry, but they also work quickly to complete the project. If the cabinets are still in good condition and are durable, the team will recommend refacing the cabinets to give them a makeover at a more affordable price and with a quicker process, rather than installing all-new materials.
