

Idaho Pro Water Damage Repair Announces Meridian, ID Water Damage Restoration And Repair

May 22, 2019

May 22, 2019 - PRESSADVANTAGE -

Water damage restoration company, Idaho Pro Water Damage Repair have announced their new water and mildew damage remediation service is designed for people who live in the Meridian, ID that have been affected by water and water damage. The service expands on the company's reputation as the leader in all water damage and fire restoration services in the region and surrounding counties.

The company makes a point of standing out from the crowd when compared to other water damage companies and experts in the area and works hard at its reputation as the best of the best.

The company team has been serving the area since 2012 with its water damage repairs and recently added mold damage restoration to its portfolio. To date, it has served dozens of customers and has become recognized as one of the most reliable contractor companies in the state.

With many months of preparing technicians with the best equipment, the company is now 100% operational and repairing water damage as well as other disaster services like mold damage and fire damage restorations with their high-quality services to anyone who suffers flood or fire damage.

The owner of the company also said: "Many families who suffered water damage from the floods of this year are now seeing cases of mold growth in these damp environments and we aim to help them get rid of it and get it remedied fast."

The company states that they have recently expanded their service area to now include the entire Meridian, ID and county area. The owner says that they do their very best to provide their customers with same day services and quotes. They state that they will come and clean up any water or mildew mess in no time.

After floods in recent months, the company is working hard to help local residents get their homes back to how they were and now offers to assist them with water and mold remediation services.
