A representative for Mazzeo Law Barristers & Solicitors says, ?If you are considering a period of separation from your common law spouse, it?s imperative you have a clear understanding of the process. As with the divorce process that married couples undertake, legal separation and the signing of separation papers is of the utmost importance when separating from a long-term partner. When you turn to a member of our team, you?re in the safe, experienced hands of legal professionals, each of whom is adept in separation agreement law.?

With the appropriate legal guidance, clients would be able to come up with agreements for support, property rights or custody that they can live with, having the assurance that all of their legal rights have been properly protected.

Having a comprehensive understanding of the family laws governing separation and divorce, the lawyers at Mazzeo Law can handle all kinds of legal separation issues, including same-sex relationships, aside from issues involving couples in opposite-sex relationships, to make sure that their legal rights are protected under Canadian law.

The lawyers at Mazzeo Law Barristers & Solicitors will prefer to steer the case outside of the court system but they have more than sufficient experience in the event that the case will need to go to court. They will work with the client to plan the appropriate documentation and will guide the client every step of the way with the end goal of achieving an acceptable result.

Meanwhile, the firm also has established a blog on their website to provide relevant information and news to people regarding family law and real estate law. For instance, one article focuses on the financial implications of the marriage annulment of an heiress of a frozen food business where she is trying to prove marriage fraud against her husband, claiming that he withheld information regarding his true nature.

Proof of the quality of services provided can be found from customer feedback. For instance, P.C. gave the firm five stars and said, "Paul Mazzeo has been easy to work with ? professional, reliable and above all is a very knowledgeable family lawyer. My family law case has become rather complicated, yet Paul has been prepared every step of the way. With his expertise and experience he has been successful in all family court appearances.
