

Maserati of Danbury Announces Lease Deals For June 2019

June 07, 2019

June 07, 2019 - PRESSADVANTAGE -

Maserati of Danbury, a luxury car dealership located in Danbury, Connecticut, has announced that they have a new list of Maserati lease deals that are valid until the end of June, 2019. The dealership provides new and used Maseratis as well as servicing of those luxury vehicles from their Newtown Road location in Danbury. They currently serve customers in and around their region, including luxury car enthusiasts from Bethel, Washington, New Milford, Ridgefield and various other locations around the state.

Chris Gavin is a representative for the luxury car dealership. Gavin states, "We have a huge selection of beautiful Maseratis in many different models, colors and with a host of special features. We wanted to take this moment to let our Maserati enthusiasts throughout Connecticut know that it has literally never been easier to get into one of these luxury vehicles. Our dedicated staff and experienced finance department make it so simple for anyone to ride in luxury."

Gavin states that they are offering a number of specials so they are sure to have something for every personal preference and budget. He says that their Ghibli lease special for instance, enables customers to get into this popular Maserati model with an affordable down payment and very affordable monthly payments.

"People think that driving a Maserati is something that costs a lot of money," says Gavin. "We regularly offer deals and specials that make leasing one of these vehicles one of the most affordable things in the world. Virtually anyone can imagine themselves driving a Maserati and we make it easier to turn that dream into a reality."

Gavin did not state if there would be additional lease specials on their new and used Maseratis in the future, but he did say that these current specials will end at the end of June, 2019. He urges those who have ever considered driving a Maserati to contact the dealership to learn more about how affordable it can be to lease any of their existing models.

Gavin adds that the dealership is well-known throughout the area for providing the best selection of luxury

cars, as well as for their stellar customer service. He says that anyone who comes into the dealership will instantly feel at home and comfortable. The experienced and professional staff knows how to help customers to find the model that best fits their needs and Gavin adds that the dealership has a finance department that is staffed with experienced and trained professionals who can help customers to figure out the best budget point for their luxury car.

The dealership is offering their Levante lease offer, as well as specials on other models, but only until the last day of June. Gavin urges those who have questions to contact the dealership directly or to visit them in person at their brick and mortar location on Newtown Road in Danbury.

The dealership also has a company website that provides more information about their entire selection of luxury vehicles. The website offers images of all current models, as well as more information about their leasing terms and financing. Those who are interested can also contact the dealership directly through their website or by phone or email to speak personally with a member of the staff.

Customers throughout Connecticut and into other states praise the dealership for their high quality selection and their professionalism. Those who would like more information about any of their current specials for leasing a new or used Maserati can contact the dealership directly, visit them in person or view their website. Gavin states that anyone who has specific questions is welcome to come into the dealership on any of their operating days or send them an email for more clarification. He says that their June deals will only last until the end of the month and urges those who have not yet done so to take a look at their current inventory or contact the dealership to learn more.
