

Dental Oasis Of Orange County in Huntington Beach, CA Announces Laser Dentistry Services

June 07, 2019

June 07, 2019 - PRESSADVANTAGE -

Huntington Beach, California - May 24, 2019 - Dental Oasis Of Orange County is excited to announce their Waterlase iPlus Laser service. Using this state-of-the-art treatment, Dental Oasis Of Orange County can effectively treat patients that have tooth decay, without the pain or irritation of a traditional drill.

The addition of lasers in the dental field has made a considerable impact on patient care. The traditional methods for treating tooth decay, are often more invasive, which equated to more pain. With the use of Waterlase iPlus Laser services, Dental Oasis Of Orange County offers a less invasive approach to clearing plaque, tartar, and tooth decay.

The Waterlase iPlus Laser is one of the most innovative additions to the dental field. As it replaces the process of drilling, patients that experience dental anxiety can feel more at ease with treatments. The laser service doesn't use drilling; there are zero concerns about damaging the healthy portions of the teeth. The use of Waterlase also removes the need for using local anesthetics, which can be a source of anxiety for many. Laser therapy is completely pain-free and safe for people of all ages.

Dental Oasis of Orange County strives to stay up to date with the latest technological advancements in the field of dentistry. They have added two different lasers to their dental office; the Waterlase iPlus and EZ Lase. While the Waterlase iPlus treats tooth decay and plaque removal, the EZ Lase focuses on treating periodontal diseases like gingivitis.

Owner and lead Huntington Beach dentist, Brian Toorani has said. "We utilize all the latest technology in dentistry and offer many amenities that will make your visit unique and relaxing. We are dedicated to non-invasive and pain-free dentistry." on their office's commitment to providing the best care possible, with the most up-to-date procedures and technology.

Dental Oasis of Orange County specializes in pain-free dentistry options. One of their primary goals, aside from exceeding patients expectations, is providing a relaxing experiencing while visiting the dentist. Their dental office prides themselves on adding new techniques and equipment to uphold their belief that dentistry doesn't have to be painful.

Located at 7777 Edinger Ave #232, Huntington Beach, CA 92647, Dental Oasis of Orange County assists patients with all their dental concerns. Their office has a wide range of services and treatments to help patients have healthy, beautiful smiles while providing pain-free options to ensure maximum comfort.

For more information on Waterlase iPlus Laser Services or to schedule an appointment, please call Dental Oasis of Orange County at (714) 894-7700.
