

# **Smiles by Martin is helping to improve the smiles of people in the Grapevine Area**

*July 18, 2015*

July 18, 2015 - PRESSADVANTAGE -

Those who need to find a new dentist in Grapevine will find that Smiles by Martin is one of the most reputable and trusted dentists in the entire area. This particular dentist offers a wide range of services, including dental crowns, bridges, implants, and cosmetic work. Some of the different cosmetic procedures and options that this dentist offers include veneers, teeth whitening, lumineers, and Invisalign. When it comes to choosing a dentist in the Grapevine area that is skilled and offers a variety of procedures, Smiles by Martin is by far one of the very best.

Thousands of people have gone through this dentist to get various types of work done, and each one has many positive things to say about the quality of work the staff there does. Dr. Martin ensures that each of his patients feel comfortable and at ease whenever they come in to get work done, whether it is having porcelain veneers put on or bridgework done. Originally working with this father in his practice, Dr. Martin has years of experience in dentistry and always pays very close attention to detail with each of his patients, no matter what type of work he is doing.

Smiles by Martin offers a wide range of cosmetic and non-cosmetic options, making it a convenient place to get any type of dental work done. The general dentistry options that Dr. Martin offers include crowns, full mouth rehabilitation, oral hygiene, crowns, metal-free fillings, TMB treatment, dental bridges, and sleep apnea treatment. The staff at this dentist use the very latest in dental technology to ensure that the highest possible quality work is done, whether it is a veneer, crown, filling, or something else entirely.

Patients who come to Dr. Martin will always receive the proper sedation to ensure that they feel no pain whatsoever during their procedure, whatever it may be. The sedation that this dentist offers is always safe, relaxing, and gentle. The type of sedation that is used, if it is used at all, depends on the specific procedure as well as what the patient wants. The Smiles by Martin team goes to great lengths to make sure that every patient who comes through the door is well taken care of and made to feel as comfortable as possible throughout the duration of their visit. When choosing a dentist in Grapevine, Dr. Martin and his staff are among the best.
