

The Texas Mortgage Pros Announces Easy Pre-Approval Service

August 06, 2019

August 06, 2019 - PRESSADVANTAGE -

The Texas Mortgage Pros, a home financing services company which is based in Houston, Texas, has announced that a salient feature of their service is that clients can get pre-approved in just 8 minutes. This was revealed by Jason Turner, who serves as branch manager for the company. The company website offers a customer portal where the client can get pre-qualified for the financing of a home purchase. It should be remembered that The Texas Mortgage Pros had recently merged with Prodigy Lending, which has greatly enhanced its services.

Jason Turner explains, "I have over 20 years of experience in the mortgage industry with a vast knowledge of underwriting, guidelines, and programs. I am ready to guide you through our programs to ensure the smoothest closing possible. I feel a commitment to each and every borrower to ensure that my borrowers get the absolute best mortgage rates on the market that day!"

The Texas Mortgage Pros offers various kinds of financing services for homes, specifically for new home purchases, refinancing of existing homes, and financing based on the current equity in an existing home. There are also a number of loan programs that the company can help with, including the balloon home

financing, commercial financing, conforming home financing, conventional financing, FHA financing, investment property financing, jumbo home financing, non-qualified home financing, reverse home financing, state and local housing programs, and barndominium financing.

To make sure that they are providing the best kind of service, The Texas Mortgage Pros has done its best to attract the most qualified professionals in their industry from various places in Texas. These are professionals with several years of experience and are capable of helping the client find the lowest possible rates and a broad arrange of alternatives not just in Houston but also in other areas in Texas like Dallas, San Antonio, Fort Worth, Spring, The Woodlands, Austin, and El Paso.

The financing professionals at The Texas Mortgage Pros will conduct an interview with each client on a one-on-one basis to ensure that the specific type of financing provided is custom-fitted to the specific situation and expectations of each client. Clients may be looking to purchase their first home or it is not their first time as a home buyer but they are now looking for their dream home. For each particular case, the professionals at The Texas Mortgage Pros will help each particular client look for the appropriate option at the lowest rate possible.

For those who are looking to purchase their first home, The Texas Mortgage Pros wants to inform them that buying a home in today's market is not as hard as what has been reported by most media. This is because there are now many financing programs that are available to help with the home purchase. Each of these programs have their own pros and cons and the professionals at The Texas Mortgage Pros can offer advice to home buyers to guide them in making the right decision.

Clients may be homeowners who want to have their current rate, term or monthly payment reduced. For them, refinancing is the kind of service that the professionals at The Texas Mortgage Pros can help them with. There are various kinds of refinancing. For instance, there is the conventional refinancing in which homeowners are able to avail of a reduction in the rate and terms by converting an adjustable mortgage rate (ARM) type of home financing into a fixed one. Then there is the FHA refinancing, whose purpose is to reduce the rate and the monthly payment. There are also the FHA streamline refinancing, VA streamline refinancing, and USDA refinancing.

The Texas Mortgage Pros, as a Houston mortgage company, offers various home loans in Houston. People who are interested in the financing services for home buying may want to connect with them through their website or contact them through the phone or via email. Their offices are open for business from 9:00 am to 6:00 pm, Monday to Saturday.
