

Dentist Hosts Open House To Celebrate 16th Anniversary

June 13, 2019

June 13, 2019 -

San Gabriel, California based InStyle Dental recently announced that, to celebrate their 16th anniversary, the dental care center will be hosting an Open House. More information regarding this event can be accessed via the following link: https://instyledental.com/san-gabriel-dentist/san-gabriel-dentist-celebrates-16-years-of-service/

The Open House will take place on the 21st of June, and the local dentists have extended an invitation to the entire San Gabriel community, saying, "This is a great landmark for us, and we couldn't think of a better way to celebrate than by sharing our joy with the community. Everyone from the San Gabriel community and its surrounding areas is welcome to join our celebration, whether they are patients of our practice or not. Those who attend will get to meet the InStyle Dental staff and share a special evening with us, getting to know us on a personal level. We have also scheduled some activities for the whole family to enjoy, including giveaways, raffles, office tours, refreshments, and more."

During the event, visitors will be able to experience what patients often describe as a ?Relaxing, elegant, and

comfortable ambient,? within the InStyle Dental office. The clinic is known among locals for providing a truly relaxing environment that is able to ease the nerves of their most restless patients. Those who wish to visit the clinic?s premises may locate them through Google Maps, which can conveniently be accessed through the following link: https://www.google.com/maps?cid=5409019433858254275.

From their very first visit, patients have regularly stated that InStyle Dental provides an experience that is unmatched in the area, noting that the staff are always friendly and easily approachable. The clinic attributes this to the special resolution that Dr. Kar and his team put into developing a long-lasting relationship with each of their patients via the highest quality oral care and general service.

This approach is one that Dr. Kar took on early in his career, as he states that, "Our mission at InStyle Dental is to provide the best service to every member of the community. If there is someone that isn't getting the dental care that they need due to anxiety, then we will do everything within our power to ease their concerns, making them comfortable and letting them know they will be professionally taken care of. We also endeavor to provide affordable services, as another common issue arises where people avoid their required treatment due to the elevated costs at certain practices. To accomplish this, we have structured our fees and set up financing plans to help our patients fit their dental needs into the family budget."

This commitment and enthusiasm for helping the community has earned InStyle Dental one of the highest rankings for a dental care facility in the area. The dentists have earned an outstanding review score of 4.9/5 Stars through the Google platform, where residents of the community have shared their experience with InStyle?s staff. Amanda Saenz recently wrote, "I have been going to InStyle Dental for 10 years, and there is no office that is more professional, friendly, and personable. Dr. Kar and his staff are extremely knowledgeable and trustworthy. All of my dental work has been top notch. I drive all the way from Burbank for all of my dental needs because this office is a rare find."

Many grateful parents have also complimented the effort that the team puts into explaining the importance of proper oral care to children, stating that they do so in an easily comprehensible manner. "Having as many years of experience as we have, talking to children comes naturally. We have gone through this process countless times, and we know exactly what works best to get them to understand just how important oral hygiene is,? explains Dr. Kar. InStyle Dental provides state-of-the-art dental care in multiple disciplines, with services ranging from General Dentistry, Pediatric Dentistry, Periodontics, Cosmetic Dentistry, and so on.

For more information regarding the Open House event, one may contact Carolina Rodriguez, who will gladly respond to any inquiries regarding the upcoming celebration.
