June 14, 2019 - PRESSADVANTAGE -

Solana Family Dental, a La Costa dental practice, would like to make the residents of Solana Beach aware of their dental care services. With a strong commitment to providing dedicated dental care, the clinic guarantees high quality service for all its customers. Clients looking for any of a number of different dental procedures, from deep cleaning and teeth whitening to a child's first dental checkup or tooth restoration, will find that Solana Family Dental provides it all.

The clinic is located in La Costa, a part of Carlsbad, California. The area is home to a number of internationally popular shopping locations, golf tournaments, and beaches, and hosts a number of celebrity visits every year. "We believe in exceptional care, comprehensive treatment, and a kind, welcoming environment," says the dental office through their website. "Our services and treatments will leave your mouth healthier and your smile brighter. We know that the health of your teeth has a huge impact on your confidence and daily activities, which is why we emphasize professionalism, comfort, and compassion for every patient."

Solana Family Dental has a team of highly educated professionals who are passionate about their work.

Patients can rest assured knowing that whenever they visit Solana Family Dental, they are receiving the highest quality of care from one of the highly qualified individuals at the practice. Their team carries out every procedure using only dependable practices, premium materials, and state of the art equipment?and they maintain these standards to ensure that their patients receive safe, effective, and complete dental treatment. The clinic prides itself on providing a family friendly environment where infants, young children, teenagers and their parents can all feel comfortable. They state that, ?We take pride in our caring approach, and always take extra time to ensure the comfort of our younger patients.?

One of the dental services on offer at the dentistry is Invisalign, an alternative to traditional metal braces. They have become one of Solana Family Dental?s most popular treatments since they come with a much greater degree of flexibility than traditional braces. The custom fitted trays can be removed for the purposes of eating, drinking, brushing, or flossing, and are a great option for those looking to maintain perfect oral health while correcting their smile. The dental practice also offers a wide variety of cosmetic dental procedures, including crowns, porcelain veneers, dental implants, inlays and onlays, and teeth whitening to help patients achieve the bright, white smile they desire.

Those looking for reliable and regular Solana Beach dentistry services will be pleased to find that the clinic also offers standard cleaning and prevention procedures. ?As your preferred La Costa dental provider, we know how important cleaning and prevention are,? says the practice. ?That?s why we offer regular dental exams and cleaning, along with dental X-rays as needed. We can also provide home care tips for optimal oral health between visits.? The clinic also treats a number of gum and tooth diseases, including gum inflammation, gingivitis, and periodontal disease, which can be extremely detrimental to one?s oral health.

Additionally, Solana Family Dental offers restorations to help patients recreate their smile. They state, ?No Solana Beach dentist office would be complete without offering full mouth restoration services. Composite fillings, dentures (full and partial), and fixed bridges are some of the restorations available for patients with improper bites, damaged, or missing teeth.?

The dental practice has received a number of positive reviews from pleased patients. One such review from Heather Grossman states that the practice is, ?Professional, effective, efficient, and caring. The team at Solana Family Dental are the best I've ever worked with. Their online systems and phone staff make bookings easy, and their in-office crew are phenomenal. The ladies in my life like kissing me more after a visit to Solana Family?what else can I say.?
