

Georgia Wildlife Control & Bat Removal Company Opens New Office

June 12, 2019

Raleigh, North Carolina - June 12, 2019 - PRESSADVANTAGE -

Total Animal Control LLC, a Georgia based wildlife control company, recently announced the opening of a new office in the city of Cartersville, located in Bartow County, Georgia.

The new location now expands their total main service areas in Georgia to 14, which includes Atlanta, Acworth, Marietta, Canton, Woodstock, Alpharetta, Roswell, Milton, Smyrna, Macon, Sandy Springs, Kennesaw, and Warner Robins.

Total Animal Control LLC is a full service wildlife control company that offers a humane approach to removing wildlife from homes, nuisance wildlife prevention services and provides animal damage repairs. TAC also provides bat guano clean up services for bat infestations in the attics of homes to minimize the exposure of histoplasmosis to humans or pets.

According to the CDC's website: "Histoplasmosis is an infection caused by a fungus called Histoplasma. The fungus lives in the environment, particularly in soil that contains large amounts of bird or bat droppings. In the United States, Histoplasma mainly lives in the central and eastern states, especially areas around the Ohio

and Mississippi River valleys. People can get histoplasmosis after breathing in the microscopic fungal spores from the air."

When speaking with the owner, Timothy Turly, he had this to say about the company: "We aim to provide the best service in the industry and pride ourselves on delivering a stellar experience for our customers. Our knowledgeable and skilled technicians are prepared to handle any situation with ease."

Total Animal Control LLC, boasts a continually growing list of stellar reviews as well. Taking a look at a few reviews since the recent opening of the new location, their stellar customer service is felt by the homeowners that depend on them:

"These guys are fast and Courteous. They explained the situation in a way that you can understand. Brandon is great and very knowledgeable, When it comes to wildlife he knows what he's talking about! I highly recommend TAC!!" - Veronica Henderson

"I had a mother raccoon and her kit underneath my house and called Total Animal Control. They answered quickly and were able to have them removed within 24 hours. Several other animal removal people wanted to charge me an arm and a leg but TAC was the best and at a great price. Now I'm kit-free!" - Devon Covey

"I called total animal control Friday morning for a squirrel's in my attic. Brandon showed up that afternoon and set traps. They came back Sunday and removed traps and sealed my entire house with in unless then 48 hours the problem was solved I couldn't recommend these guys enough they deserve 10 stars! 100% professional and very knowledgeable they walked me through the process and everything was exactly as they said. If you have any wild life problems these are your guys!!" - Jay Reger
