June 17, 2019 - PRESSADVANTAGE -

Ethos Spa, Skin and Laser Center in Summit, New Jersey offers a range of Botox and related skin care treatments for those in and around the area. The center specializes in aesthetic treatments and provides safe and effective solutions that give lasting results.

Dr. Hardik Soni, Director of the spa center says, "We are pleased to offer our clients the best in state of the art treatments for a wide range of skin issues. Botox has become a very popular way of warding off aging and our team of doctors are pleased to offer this treatment to those who want to look and feel younger or to cure any skin problem that our clients may have."

Dr. Soni states that everything that they do at the spa is designed to help clients to look and feel their best. He adds that they use only the safest and most updated procedures to give clients the best possible results. Their non-invasive procedures include Botox, as well as body contouring, laser hair and tattoo removal, and various other skin treatments.

Dr. Soni adds, "Our entire team is passionate about providing our clients with the very best in skincare

treatments. We offer massage therapy, dermal fillers, spider vein removal, vaginal rejuvenation and a host of other treatments that are all designed to give our clients back their confidence. Dr. Soni adds that anyone who is interested in learning more about these procedures or interacting with other patients can join the spa on their official Facebook page at <https://www.facebook.com/MyEthosSpa>.

Clients at the spa enjoy a full realm of treatments including lip injections, Botox and many others. Clients also receive free consultations that can help them to determine which specific procedure is right for their unique needs. The spa serves a number of customers in Summit, as well as other areas including Millburn, Englewood, Morristown, Essex and others.

Clients of the spa remark on their procedures and state that their team of medically trained and professional doctors have helped them to gain back their self-confidence with their treatments. All of the doctors at the spa are medical board certified to provide these procedures and can offer clients guidance on what specific procedure will work best for their needs.

Those who are interested in learning more about the Botox or other treatments offered by the spa can visit them on their official website for a detailed explanation of each procedure. The spa also has an official Twitter page, which can be accessed at <https://twitter.com/EthosSpa>, where clients can keep up with happenings within the spa, including any specials that they may be offering.

The spa's clients also rave about the atmosphere, which is designed to put each one at ease. The entire team at the medical spa prides themselves on their offered procedures and the individual treatment that they offer to every client. The spa offers gift cards that can be used for any service that they offer, and gift cards make wonderful gifts for family or friends.

"Gift cards are a great way to show mother's or wives how much we love them," says Dr. Soni. "These gift cards can be purchased at the office and given to any loved one as a gift, and they can choose the procedure that they want to use the gift card for."

Those who are interested in learning more about any of the skin care treatments that the spa offers can visit them on their official website for more information. Those in the area who would like to schedule a consultation can do so on the spa's website or directly by phone or email. Dr. Soni states that the team looks forward to helping clients to find the procedure that will best suit their needs. More on each procedure can be found on the spa's website, as well as any current specials that the spa is offering and direct contact information and driving directions to the spa.
