

Local Pest Control Business is Expanding

September 17, 2019

September 17, 2019 - PRESSADVANTAGE -

Nearby pest management service, Termite and Pest Control Service in Delhi, is growing their staff with a new employee, John Wills. The company stated that John is the first of many staff that will be added to provide new bed bug treatment services and that they are excited to welcome him to the team.

Hiring John Wills will allow Termite and Pest Control Service in Delhi to offer their solutions in more areas near Delhi and allow the business to provide its customers a wider selection of pest removal solutions. John Wills specialty is pest control, with advanced experience in bed bug removal and termite inspections.

"We are proud to welcome John Wills to the family," said the General Manager of Termite and Pest Control Service in Delhi. "John is committed to providing superior service to our clients in the Delhi area and expanding our ability to provide pest control services with the most up to date tools and technology."

The company mentioned that they urged Mr. Wills to sign up with the team because of his professional experience with bedbug removal and termite extermination, which will allow Termite and Pest Control Service in Delhi to offer a wider array of bug management services in Delhi.

"So far the training has been spectacular, I love the team I'm working with. Termite and Pest Control Service in Delhi really cares about their people and that flows down to the customers," said John Wills. "We're using the most current technology available to take care of pests."
