

New Purchase by Community Pest Control Business

September 09, 2019

September 09, 2019 - PRESSADVANTAGE -

Visalia, CA ? September 9, 2019 ? Termite and Pest Control Service in Visalia, the leading provider of bed bug and pest control services in Tulare County, CA proudly announced that it has absorbed a pest removal service local to Visalia, general pest and bed bug services. This acquisition will better serve the needs of customers in the Visalia and nearby areas.

Termite and Pest Control Service in Visalia is one of the most well-known pest control providers in California. The company specializes in residential & commercial bed bug removal and termite control. An employee stated, "The company spends tremendous amounts of time and money to be sure we maintain the highest reputation in the industry."

?Our acquisition of another pest control company compliments our overall residential, industrial, and commercial offerings so we can now provide multiple pest control services to Visalia. This investment represents an important strategic opportunity to offer Bed Bugs and other pest prevention options. We see it as an opportunity to grow and strengthen our company to serve the citizens of Visalia and all surrounding cities in the best possible ways. Our mission has always been to change the Pest Control Industry as a whole and incorporate cost-effective, customizable services and plans, we're always looking to save our clients money," said the CEO of Termite and Pest Control Service in Visalia. ?The acquisition also increases our ability to manage and prevent pests and bed bugs for existing Termite and Pest Control Service in Visalia customers.

Termite and Pest Control Service in Visalia, based in Visalia, CA is a provider of comprehensive Bed Bug and Pest Control services in Visalia and other surrounding areas. Through its affiliates, the company provides termite, bed bug, stinging insects, rodents, animal trapping and all general insect services. They provide complete and full-service pest solutions, find out more about their pest control approach here: <https://termite-and-pest-control-service-in-visalia.business.site/>.
