

Termite and Pest Control Services in Santa Rosa Brings On a New Team Member

September 05, 2019

September 05, 2019 -

Local pest removal service, Termite and Pest Control Services in Santa Rosa, is growing their staff with a new employee, James Tollit. The company stated that James is the first of many staff that will be added to provide new bed bug treatment services and that they are excited to welcome him to the team.

Hiring James Tollit will allow Termite and Pest Control Services in Santa Rosa to offer their services in additional locations near Santa Rosa, CA and enable the business to offer its consumers a larger array of pest elimination solutions. James Tollit specialty is organic and eco-friendly pest control, with advanced experience in bed bug removal and termite inspections.

"We are proud to welcome James Tollit to the family," said the General Manager of Termite and Pest Control Services in Santa Rosa. "James is committed to providing superior service to our clients in the Santa Rosa area and expanding our ability to provide all-natural pest control services with the most up to date tools and technology."

The business stated that they asked Tollit to sign up with the company because of his specialized experience in natural and eco-pleasant bed bug eradication and termite inspections, that can allow Termite and Pest Control Services in Santa Rosa to offer a broader array of bug management services in Santa Rosa.

James Tollit stated, "I'm happy to be a part of the team. Their training has been great and the methods we'll be using are the most advanced in the market. I'm truly excited to get started and expand their bed bug heat treating services here in Santa Rosa."
