June 20, 2019 - PRESSADVANTAGE -

Lawrence Township, New Jersey - Meatheadz Cheesesteaks is thrilled to announce the recognition of being named "Best Overall Cheesesteak." This is a tremendous honor for the local, Lawrence Township restaurant, and one that marks a huge milestone in their business journey.

The cheesesteak review was done by, Jim Pappas and posted on Philly Grub. He tried more than 275 different Philly cheesesteak sandwiches over the last year to determine who, in fact, had the best cheesesteak in the North East. It was no easy feat determining a winner on his cheesesteak reviews. With heavy hitters and known cheesesteak locations, many factors went into determining who came out on top.

In the latest review, published May 16, 2019, there were 25 different categories. His adventure took him all over Delaware, New Jersey, New York, and Pennsylvania. While there were honorable mentions for "best brunch cheesesteak" and "best historical cheesesteak," the honor for best overall went to Meatheadz. While many restaurants in Philadelphia placed after all Philadelphia is synonymous with the cheesesteak, there was something that set Meatheadz Cheesesteaks apart.

Jim Pappas had this to say on why he choose Meatheadz Cheesesteaks as the clear winner, "At the top of the cheesesteak world, you will meet Meatheadz!... What truly sets this cheesesteak apart from others is that it is dipped in their housemade Aus Jus. The sauce adds flavor and wetness. I am becoming a sauce on my cheesesteak kind of guy."

Not only did Mr. Pappas make mention of Meatheadz Cheesesteaks homemade Aus Jus, but also to the melted Provolone cheese that tops the thick stack of premium ribeye steak slices. The mouthwatering sandwich that took home the glory of being named the best overall cheesesteak; The Drippin Steak.

Meatheadz Cheesesteaks was founded by food enthusiasts and brothers, Joseph and Jeffrey Weintraub. Growing up in New Jersey, they had always had to travel to Philadelphia to get a decent cheesesteak sandwich. They wanted to bring those bold, intoxicating flavors and quality of a traditional Philadelphia cheesesteak to New Jersey. With the announcement of winning, best overall, they have certainly succeeded.

Joseph Weintraub had this to say about being acknowledged as the best overall cheesesteak, "Our mission has always been to deliver the highest quality sandwiches around, and being recognized is a true honor. We couldn't be happier to be named as "the best overall cheesesteak" by Jim Pappas on his Philadelphia Cheesesteak Adventure."

The Lawrence Township, NJ restaurant while known for their delicious cheesesteaks has many other exceptional menu items available. Some of the favorites include their Meatheadz Loaded Fries, and wings paired with their Meatheadz sauce.

For those that are looking for a jam-packed full of flavor cheesesteak, rated best overall cheesesteak, that is guaranteed to please Meatheadz Cheesesteak in Lawrence Township, NJ is a must. Customers just need to tell them whether they want it "with or without."
