July 27, 2015 - PRESSADVANTAGE -

Publishing company Hardy Wilson Ink, is now offering their book, Aging Loved Ones: a Guide to Organizing and Managing the Aging Process, in Kindle and physical format through the Amazon storefront. Lynn Jordan, spokesperson for Hardy Wilson Ink, said that they knew they made the right decision when partnering with the book's authors, Bonnie & Norm Hardy.

"We feel that the valuable information provided in this book should be obtainable to as many people as possible, and by making it available on Kindle and as a physical copy, this will finally become a reality," Lynn Jordan added.

The Kindle version of the book is priced at \$9.97, and the paperback is priced at \$18.39. Lynn Jordan stated that their book will be available through the Amazon stores, both in the US, UK and the rest of Europe, as well as Barnes & Noble's.com in North America. She added that customers will also be able to buy the book from selected local bookstores all across North America.

Currently, there are three positive customer reviews. One of the customers wrote the following: "I am finding the book so helpful. Love the data collection sheets - very useful! As an adult in her 50's, I find the book to be an excellent resource to help understand the various stages in caring for my aging father. With the use of the information sheets, the book not only is acting as a guide to help make timely appropriate decisions for the level of care needed, but gives me a record of Dad's wishes to ensure he is very much a part of the process."

Hardy Wilson Ink stated that the book, Aging Loved Ones: A Guide To Organizing and Managing The Aging Process, is suitable for those who are responsible for managing the care of an aging parent, partner or friend, as well as those that are trying to understand and plan ahead for their own aging process.
