

## **Provider of Pensacola Sunrooms Highlights Superior Quiet of their Roof Systems**

*June 27, 2019*

June 27, 2019 - PRESSADVANTAGE -

Pensacola, FL ? Titan Sunrooms, leading provider of Pensacola Sunrooms, has recently taken a new approach in marketing the outstanding craftsmanship of the most advanced custom sunroom on the market. An important feature of Titan Sunrooms is their craftsmanship, and while the business is located in the Gulf Breeze area, durability in all types of weather is paramount to customers.

Recently, a satisfied customer took a video of their fully completed and decorated sunroom during a rainstorm later to be posted on social media. While listening to the video, it is evident that the craftsmanship has allowed the Titan Sunroom to be completely quiet, compared to most other sunroom construction that would very loud during the rain due to lower quality roofing systems.

Fred Genkin, Owner of Titan Sunrooms, elaborates the importance of this feature by stating ?We often hear from customers that we have rebuilt rooms for how much quieter in the rain our Titan roof system is compared to what was originally installed. If you have ever been in a sunroom during the rain you can barely hold a conversation it?s so loud, even in a light rain. As this customer testimonial illustrates, made during today?s rains, you don?t have to shout in a Titan Sunroom.?

The leading Pensacola FL screen room provider specializes in the manufacturing and installation of sunrooms, screen rooms, patio covers, and patio enclosure products. They can be reached by phone at (850) 244-4474 or there is more information available on their website at [www.titansunrooms.com](http://www.titansunrooms.com).
