

FLORIDA RESTAURANT & LODGING ASSOCIATION

Gulf Coast Merchant Services Selected as Preferred Provider of Florida Restaurant & Lodging Association

July 01, 2019

July 01, 2019 - PRESSADVANTAGE -

Pensacola, FL ? Gulf Coast Merchant Services, a POS systems company, is proud to announce that they have been selected as a preferred vendor of The Florida Restaurant & Lodging Association. This accreditation is an example of the locally owned and operated business's proven dependability throughout the Gulf Coast area.

Steven Cadenhead, President, and CEO of Gulf Coast Merchant Services reiterated the importance of this accreditation by stating "We are extremely thankful and blessed to be recognized with the FRLA and we look forward to the opportunity to continue offering superior products and services to local businesses."

FRLA is Florida's premier non-profit hospitality industry trade association. The association is serving the \$111.7 billion hospitality industry which represents 1.4 million employees - making it the state's number one industry.

Further, they offer regulatory compliance and food safety training needs (RCS Training and SafeStaff®); industry developed career-building high school programs, sponsor the only event in Florida exclusively

servicing the restaurant and foodservice industry, and safeguard the needs of the hospitality industry by providing legislative advocacy.

Gulf Coast Merchant Services is one of the leading providers of POS Systems & Payment Processing in the local area, specializing in providing the best point of sale systems for hospitality, deliveries and retail ventures. The POS provider has fostered their positive reputation in the area by being a reputable source for state-of-the-art software, top-of-the-line hardware, powerful analytics tools, and exceptional service.

As FRLA has a mission to protect, educate, and promote Florida's hospitality industry, a partnership with Gulf Coast Merchant Services will allow both to thrive and continue their offerings of quality representation and services.
