CLEVELAND, Ohio ? Airport CarXPress, a top airport transportation service for Cleveland Hopkins International Airport (CLE), announced today that it has launched a new online Book and Pay Reservation System. With the online system, customers can easily discover rates, book and pay for airport transportation. The system is available through the company?s website, <http://www.airportcarxpress.com>.

?Flying is enough of a stress that no one wants to be left waiting on hold to figure out the rates and booking of an airport car service,? said Robert Clifton, CEO of Airport CarXPress. ?Our goal with this new online system is to make at least that one part of the trip easier. Then, when we show up, it?s always with a clean car and professional driver. We want you to get your trip off to a good start.?

AirportCarXpress is known for excellent, door-to-door service and for clear, straightforward pricing. The company does not have hidden fees, which are common for other transport providers. They offer flat rates. Customers have the option to choose a vehicle based on party size and the volume of luggage. Airport CarXPress offers vans and town cars, among other choices. Drivers are available 7 days a week, from 5am to 11pm ? offering service for virtually any flight in and out of CLE. AirportCarXpress is fully licensed and

insured. Drivers always load and unload baggage.

AirportCarXpress serves the entire Cleveland Area, including Eastern and Western Suburbs. They are able to take passengers from the airport to such destinations as the Kalahari Waterpark Resorts, Cedar Point, Port Clinton, Kent State University, The Cleveland Clinic (Main Campus), University Hospitals (Main Campus), all downtown Cleveland hotels, Oberlin College and Akron-Canton Airport.
