July 05, 2019 - PRESSADVANTAGE -

Bachelorette, LLC has officially rolled out the first of several geo-specific websites dedicated to bachelorette parties and girlfriend getaways in popular U.S. destinations. Ocean City, Maryland is a popular destination for summer vacation and has been for decades. Bachelorette Founder, Courtney Smith grew up in Maryland and frequented Ocean City for summer vacations as a child. She continued visiting OC as an adult, and explains why it is such a popular spot for bachelorette parties:

“Ocean City is a great spot for bachelorette parties and girl’s only vacations because it is an easy drive from just about anywhere in the Mid-Atlantic and offers something for everyone. There are popular bars like Seacrets, Macky’s and Fager’s Island that cater to those seeking nightlife options. Of course, the beaches are beautiful and there are plenty of salons, spas and shopping for ladies who just want to chill.”

The new Ocean City, MD bachelorette party planning site offers a simple approach to planning. There are activities, hotels, vacation rentals, bars, tours, restaurants, salons, etc. that have basic information, deals, tips, ideas and reviews. The site also features user-generated reviews and a Q&A forum where users can exchange recommendations and provide helpful feedback.

The site is free to use by signing up with an email address. View the newly launched website here: <https://oceancitybacheloretteparty.com/>.

Bachelorette will continue rolling out city-specific bachelorette party planning sites in order to provide authentic, great options for women to choose from. The next microsites will focus on Maryland, DC, Scottsdale and other bachelorette party hotspots.
