McDonagh Demolition Announces Site Recycling In Their Chicago Demolition Services

July 08, 2019

July 08, 2019 -

McDonagh Demolition Inc. is a professional demolition company providing Demolition services in Chicago and Demolition services in Detroit and the surrounding areas. The company has been working towards proving high quality demolition services and extending their service to other types of works that ensure demolition sites are left clean and safe.

According to the company, ?McDonagh is making efforts to become a green company. We make every attempt to recycle the contents of each and every jobsites when possible. The materials that we recycle include lumber, metals, asphalt, masonry, concrete, pipe, rocks, dirt, and other materials.?

The company also added that, ?Some materials are also recycled and reused onsite. Through the use of concrete crushers, concrete from buildings or foundations can be crushed into compactable stone and used for the site remediation. McDonagh will transfer on-site clean material from one area of a site to another area to build up landscape areas or the building footprint areas.?

Thus ensures that people looking for demolition services in Chicago and in Detroit and the surrounding areas

can rest assured that their sites will be left clean and safe.

McDonagh Demolition is a Chicago based demolition and general contractor specializing in demolition, environmental remediation, site preparation & recycling, excavation, sewer & water, construction, and design build. McDonagh has an outstanding reputation holding long term relationships with a plethora of private and public entities such as the Chicago Department of Aviation (CDA), Chicago Public Building Commission (PBC), Chicago Public Schools (CPS), Illinois Department of Transportation (IDOT), University of Chicago, and the Metropolitan Water Reclamation District of Greater Chicago (MWRD).
