Emmanuel Sheppard & Condon Named Best Law Firm

July 08, 2019

July 08, 2019 -
The Gulf Coast law firm of Emmanuel Sheppard & Condon was just named Best Law Firm by VIP Pensacola Magazine. VIP Pensacola holds this much anticipated event annually, and winners were announced in June, 2019.

The magazine offers a two-phase ballot, with the first round of nominations taking place in April. Then the top ten most nominated law firms go on to the finals and are voted on by the readers of VIP Magazine. VIP Magazine is a popular magazine in the Pensacola area, providing news and other helpful information on local real estate, sports, dining and health.

With its tremendous legal expertise and exemplary service, it?s easy to see why the firm was recognized in this way. Emmanuel Sheppard & Condon has been a part of the Pensacola area for over 100 years, providing outstanding legal services to both businesses and individuals.

In addition, it has been honored with Martindale Hubbell?s most prestigious AV rating. Half of the firm?s attorneys also receive this prestigious AV rating, which is given to only 5% of lawyers nationwide. Finally, many of the firm?s attorneys are board certified, a distinction which is earned by less than 5% of Florida lawyers.

?We were thrilled to have been named Best Law Firm,? stated Warren Todd, Shareholder. ?We?ve been a legal partner to the Pensacola area for a long time and it?s great to receive this kind of recognition from the community.?

The firm boasts a wide variety of practice areas, serving both businesses and individuals. For Gulf Coast businesses, Emmanuel Sheppard & Condon provides expertise in construction law, real estate law, employment law, business law and more.

Individuals find that Emmanuel Sheppard & Condon covers every legal need. Social security disability law, family law and criminal law are among the practice areas available to them. In addition, a team of personal injury attorneys in the firm fight aggressively to those who have been injured due to someone else?s negligence. Whether it be a car accident, slip and fall injury, or a defective product, the firm?s injury lawyers help victims receive the compensation they deserve.
