July 10, 2019 - PRESSADVANTAGE -

Palisades Mazda, a Mazda dealer based in Nyack, New York, has announced their July lease specials. These lease deals for the month of July include the lease deals for a new 2019 Mazda CX-3 subcompact crossover SUV or a new 2019 Mazda3 sedan. The 2019 Mazda CX-3 is a stylish subcompact crossover SUV that has the highest possible safety rating when equipped with the available Smart Brake Support and Adaptive Front-lighting System. Meanwhile, the Mazda3 sedan also has the highest possible safety rating because it is provided with the Adaptive Front-lighting System. Both safety ratings have been provided by the Insurance Institute for Highway Safety (IIHS), which is an independent non-profit organization.

Frank Benedict, General Sales Manager at Palisades Mazda, says, "Come take a look at our July brand new Mazda lease deals. We take pride in our customer service and client contentment but our goal is to help our customers get the best deals and continue to choose our authorized Mazda dealership. We strive to offer a wide range of dealer programs and incentives monthly."

They are proud to offer a lease special for the 2019 Mazda CX-3 subcompact crossover SUV because of its highly rated safety features. As previously mentioned, it has been given the highest possible safety rating by the IIHS. It is equipped with a sophisticated i-ACTIV AWD® system that uses milliwave radars and cameras to keep the driver in tune with his or her surroundings.

Furthermore, the Mazda CX-3 is powered by the SKYACTIV®-G 2.0 liter engine, which is both super efficient and ultra-responsive, delivering 148 hp and an impressive torque even at low speeds. And when it comes to acoustics, it makes use of noise-damping solutions to ensure that conversations are clear and the music is richer.

And for those who are interested in the Mazda3 lease deals, the 2019 Mazda3 sedan also has the highest possible safety rating, according to the IIHS. It comes with a precisely tuned four-wheel independent suspension system. And it is available in manual or automatic transmissions. It is powered by 2.0-liter or 2.5-liter SKYACTIV®-G gasoline engines, with the 2.5-liter engine providing 184 horsepower and 185 lb-ft of

torque.

The 2019 Mazda3 is provided with sport seats that have been designed to mold perfectly to the body of the driver and the passengers, offering a more comfortable ride. Also, every part of the interior has been designed to make driving better. From the instrument panel to the gear selector, every part of the interior has been positioned with the goal of making every move of the driver more intuitive.

Meanwhile, for those those who prefer other Mazda models, also available are the Mazda CX-5 SUV, the Mazda CX-9 SUV, the Mazda MX-5 Miata Convertible, the Mazda MX-5 Miata RF Coupe, the Mazda3 Hatchback, and the Mazda6 Sedan. July lease deals are also available for these other Mazda models. Of course, aside from brand new car leases, the dealership also offers for lease or sale brand new, pre-owned, and certified pre-owned Mazda cars.

They also offer services and parts and special prices are also offered for certain services such as 4-wheel alignment, cooling system service, detail service, tire deal, and front or rear brake service.
