

Westchester Subaru Announces New Lease Deals For July

July 10, 2019

July 10, 2019 -

White Plains, New York based Westchester Subaru is excited to announce their new July lease specials, offering high-end vehicles at an affordable price. These new lease deals will be available throughout the month of July and, for this occasion, the Subaru dealers have chosen two different vehicles which cater to different interests their customers may have, though they complement each other perfectly.

The first special offer that Westchester Subaru will be offering is the Subaru Forester lease deals. One of their most commonly requested vehicles and a favorite for Subaru enthusiasts, company asserts that this vehicle is the embodiment of versatility and capability.

The Forester is a spacious, safe, and dependable mode of transport that is perfect for those who seek a life full of adventure and are always looking for ways to get out of their everyday routine. Company representative Nolan Corlew states, "This is a model which will not disappoint adventure seekers and travelers of any kind. You'll find it to be spacious enough to travel comfortably?either with your entire and their luggage for a family trip, or just by yourself in a weekend escapade where it's only you?and the road ahead of you, in a vehicle that is comforting and feels amazing to drive."

The 2019 Subaru Forester model is a remarkable vehicle due to the features it boasts, including Driver Assist Technology and Symmetrical All-Wheel Drive. When compared to past models, the vehicle excels in many more areas as it also features extensive upgrades to its interior materials, passenger space, and onboard technology. This includes the all-new DriverFocus? Distraction Mitigation System, available for the first time ever, only on the 2019 Forester.

Additionally, Corlew asserts, "We have carefully chosen this vehicle for our special sale, as we have seen that is a favorite within the Subaru enthusiast community. It excels in many aspects that other high-end vehicles lack, and is built with the quality and reliability of a Subaru. Traveling in the Subaru Forester ensures that you and your family will be safe no matter what the condition of the road you're traveling on may be."

Those looking for something more practical and convenient than an SUV will be pleased to learn that Westchester Subaru is also offering Subaru Legacy lease deals, which is a great alternative for road lovers to consider. The Subaru Legacy is a much more compact vehicle than the Forester model, providing similar comforts and conveniences in a smaller footprint. Corlew states, "This is perfect for those who wish to have all of the comforts an SUV has to offer, along with the conveniences of a sedan. This vehicle excels at getting you and your family to your desired location in a timely manner, completely safe. It is also equipped with the latest driver assist technologies, ensuring that you always have someone looking after you and your loved ones."

The Subaru Legacy model is equipped with an outstanding interior that is only comparable with the aesthetics of bigger vehicles. This is due to the fact that it is much more spacious than other sedans. Notably, however, it manages to accomplish this open interior without compromising on looks and comfort. Its remarkable high-quality materials, combined with extra room for passengers and gear, make the Subaru Legacy the preferred vehicle for traveling enthusiasts.

The Westchester Subaru Dealer invites all those interested in any of these two new special offers to contact the company's specialized agents. They are qualified to guide prospective customers and advise them on the vehicle that is better suited to their needs. They will also help their customers get the best deals for the vehicle of their dreams, as new special offers are made available each month to provide drivers new unique opportunities to lease a vehicle at a great price.

For more information regarding the special leasing deals offered by Westchester Subaru, interested parties may visit the company's website. They may also contact Nolan Corlew, who will gladly assist prospective customers and answer their inquiries. Furthermore, Subaru enthusiasts may follow the company on their social media platforms to stay up to date with their latest news, monthly offers, and announcements.
