July 16, 2019 - PRESSADVANTAGE -

Alfa Romeo of Danbury, the leading luxury car dealership in Danbury, Connecticut, is excited to announce that they are celebrating the success of their June deals by adding even more deals through to the end of July 2019. The Alfa Romeo dealer serves personal and business customers in Danbury as well as outlying areas, including Bethel, Sherman, Gaylorsville, New Milford, Ridgefield, Washington, and other locations throughout the state. "We are delighted that we have been able to help so many find the car of their dreams. There is nothing like the feeling of driving away in their own Alfa Romeo to make someone's day the best it can be," said Chris Gavin, a representative for the luxury car dealership.

"Many people believe that driving an Alfa Romeo is only for millionaires. Our lease deals help everyone feel like a millionaire driving these beautiful vehicles," stated Gavin. He continued, "Our specially trained and experienced financing team can help any customer find the model which best fits into their monthly budget." Alfa Romeo of Danbury has a range of popular models available, including the Giulia, the Stelvio, and the 4C Spider.

Alfa Romeo returned to the US in 2014 after almost a decade's absence, and has become a popular choice for those looking for the Italian pedigree to help realize their lean, mean driving dreams. There is no need to give up the iconic Alfa Romeo badge even with an active family who need room to maneuver. The company's Alfa Romeo Stelvio lease offer provides pure pleasure for those who love to drive, supported by the perfect mix of performance-engineered power, seductive styling, and balanced handling. It has the heart of a racing car with a 2.0L Turbocharged four-cylinder engine, which delivers a 280 horsepower, 144 MPH top speed and a 5.4 second 0-60 time with torque measured at 306 lb-ft. It truly is crafted to conquer any driving conditions, including those everyday journeys making them a thrilling drive. Coupled with the luxurious Italian-designed interior, the cockpit gives the driver the ultimate experience in comfort and convenience.

Here is what D. Nice, a client, had to say about their 5-star experience: "Just wanted to tell everyone that my experience at Alfa Romeo Of Danbury was excellent. My Sales Consultant, Joe, and Finance Manager, Paul,

were a pleasure to work with. They are the best. Joe knew a lot about my 2018 Alfa Romeo Stelvio. Great test drive experience. I will definitely go there again. Thanks, Joe and Paul.?

The 2019 Giulia has had rave reviews from many critics, including Top Gear, who noted that, "Alfa has smashed it out the park on its first attempt." The dealership has an Alfa Romeo Giulia lease offer which will ensure their customers get the best possible deals to satisfy every need. Another delighted customer, Micah Troyer, had this to say in their 5-star review, "Best car buying experience ever. Kyle and the staff at Alfa Romeo of Danbury exceeded our expectations—we are a proud owner of an Alfa Romeo Giulia Ti Sport." The dealership invites all their customers to leave their honest reviews on any of the online review channels they prefer.

Many Americans are switching from car ownership to leasing to avoid making an outright one-time expense—while still get the car of their dreams. Currently, about three out of ten new cars leaving dealerships are leased, which means that the latest car technologies are now available at lower monthly payments than an outright purchase. Those who want to jump start their lease can view the extensive photos hosted online on the company's website. Hearing their customer's views will make anyone looking for a great deal feel confident using Alfa Romeo of Danbury.

Those interested in getting the best leasing options from Alfa Romeo of Danbury are advised to make contact as soon as they can, either by calling or visiting in person. The dealership's website offers detailed information regarding the available models, such as their luxurious features and pricing. Clients may also contact Chris Gavin of Alfa Romeo of Danbury to learn more.
