Maserati of Danbury, the premier Maserati dealer in Danbury, Connecticut, has announced that they are offering deals on their Maserati leases until the end of August. The company sells and leases new and used Maseratis and states that anyone who is ready to drive home in one of the most luxurious automobiles in the world should contact them before their deals end.

Chris Gavin, a representative for the dealership says, "Anyone who has ever dreamed of driving a Maserati needs to come down and talk with us. We have some amazingly affordable deals, but note that these specials are only valid until September 3rd, after that the leases go back up to their normal pricing."

Maserati of Danbury currently serves customers throughout Danbury, as well as surrounding areas including New Fairfield, South Berry, Kent, South Kent, Wilton, Bethel, Redding, and other areas around Connecticut. Gavin states that they proudly serve the entire state with quality vehicles.

"We honestly have something for everyone with a full line of new and used Maseratis as well as various other used cars and trucks," says Gavin. "We invite everyone out to take a look at these beautiful vehicles and learn more about our deals for this month."

Gavin says that their Maserati Quattroporte lease deals involve the new 2019 model for less than \$1000 per month for just 36 months. He says that the Quattroporte is one of the most popular Maserati models and that it offers a lot for the money. In addition to the Quattroporte, the dealership has 2018 and 2019 Ghibli, Levante, GranTurismo, and other models that are currently available for purchase. Those who are interested in getting a look at any of the models that the dealership currently has available can do so on their website. The website provides a gallery of images for all of the vehicles that they have in stock, as well as more detailed information about their August lease deals, including monthly payments and how much the customer will need to pay at signing.

"Our convenient location at 52 Newton Road in Danbury is one of the things that our customers love," says Gavin. "Anyone can drop by and take a look at our selection of new and used vehicles, and we have a

state-of-the-art service center that is staffed with highly qualified Masarati experts who are happy to share their knowledge of these beautiful vehicles and help customers to compare the various models that are available, and of course, we offer test drives.?

Gavin says that once a customer gets behind the wheel of a Masarati, they are fans for life. He adds that their July specials also include Maserati GranTurismo lease deals, which are similar to those for the Quattroporte. Gavin says that anyone who has ever dreamed of driving a Masarati will want to take advantage of these lease deals before the end of the month.

Gavin adds that the dealership has a finance department that can help customers to better afford their purchase and adds that buying or leasing a new Maserati is a fast and easy process for most. He states that the entire dealership is committed to helping customers to find the car of their dreams and to drive it home on the same day. He states that their financing department can assist customers in choosing a car that fits their lifestyle as well as their current budget.

Those who are interested in learning more about the special deals that are going on at Maserati of Danbury can visit them on their website or stop by the dealership in person at any time during their normal operating hours.
