

Premium CPR, Now Offering Spanish CPR Training and Certification in Houston Texas

July 16, 2019

July 16, 2019 - PRESSADVANTAGE -

Houston, TX ? Premium CPR, one of the leading providers of CPR training in the Houston Texas Metro area, is pleased to announce that they offer all of their training and certifications, including CPR, AED, BLS, and First Aid, in Spanish. All of their Spanish CPR Training Classes are nationally recognized by the American Heart Association, American Red Cross, or American Safety and Health Alliance.

Premium CPR brings over 30 years of real world, hands-on experience in the Aquatics and Health & Safety Industry to their Houston Spanish CPR Classes. The company specializes in offering a unique and practical training experience for individuals, families, groups, and corporate environments. Premium CPR offers in-house or onsite training, i.e., individuals come to them, or they come to the location, making the Spanish CPR Certification process very convenient to one's busy schedule.

Since the demographics are changing so rapidly, especially in the Houston area, Premium CPR stepped forward to meet the increasing need for CPR classes to be conducted in Spanish. Building on their already successful and popular schedule of CPR classes in English, by now offering all of their training in Spanish they can reach more businesses and families in the area and empower them to save lives potentially.

All candidates who have successfully completed the Spanish CPR training will receive their certifications on the same day. Digital certification will be emailed to the student on the same day by the national certifying agency.

Premium CPR is proud to offer Bilingual CPR classes, and training is available in both English and Spanish. Cynthia Stubbins, the founder, and owner of Premium CPR is originally from Argentina and personally teaches the Spanish CPR Training Classes and Certification.

It is essential to Premium CPR that language is not a barrier to learning the critical life-saving skills of CPR, AED, and First Aid. Ms. Stubbins and all the staff at Premium CPR make their training classes accessible, fun, and very informative.
