Baltimore Towing And Roadside Assistance Service Gets Five Star Google Review

July 24, 2019

July 24, 2019 -

Baltimore Tow Truck, a towing and roadside assistance service based in Baltimore, Maryland, has announced that they have recently received another five star review on their GMB listing. They have been offering towing services, recovery services and roadside assistance services in Baltimore and neighboring areas for many years. More about the five star review can be gleaned from https://www.google.com/maps?cid=16023232989993161995.

Wayne Owens, owner of Baltimore Tow Truck, says, ?We feel both humbled and proud about the fact that we have been receiving highly positive reviews from our past clients. Our aim is to provide outstanding towing services when handling customer vehicles, leaving them completely satisfied, so they know who to rely on when in a situation like this. Even the best of us can lock ourselves out of the car and find our self stranded on the road. To save you from ruining your day, we offer our road assistance service, getting you where you need to be. Not every roadside problem needs a tow truck and no one understands that better than us. Call us today to find out more details regarding service and rates.?

In their most recent Google review, Ellis M. gave them a five star rating and said, ?This is the best tow truck

service near me. Quick, affordable and very polite and helpful. Highly recommend.?

In another five star review, Bruce W. said, ?Getting stranded in the middle of the night with my car which broke down all of a sudden, nearly caused me to have a nervous breakdown. If it wasn?t for their towing service, I would have stayed stuck in the middle of the road until later in the morning. Their 24 hour towing service saved me from a lot of trouble. While I did expect them to take quite a while to get to me, they proved me wrong by being there in exactly 15 minutes. A friendly and extremely skillful crew managed to make such a stressful situation rather easy to deal with! Finally found someone in Essex that actually delivers.?

Baltimore Tow Truck offers comprehensive towing services. These include automobile/motorcycle towing services, transport/pickup, roadside assistance services, mobile tire service, gas, and lockout services. More information about Baltimore Tow Truck and developments regarding the company can be obtained on their Twitter page at https://twitter.com/baltimoretowtrk.

The company offers 24/7 prompt customer service for car or motorcycle towing. They also offer 24/7 prompt roadside assistance, which can prove to be helpful during those situations when it is difficult or impossible to call on friends and family like when it is the middle of the night. The team from Baltimore Tow Truck will be on the scene as soon as possible, irrespective of the time or place.

And for those who have accidentally locked their keys inside the car, Baltimore Tow Truck has lockout specialists who can go to the scene promptly to allow the driver to get back those keys and be back on the road as soon as possible.

A common problem encountered by most motorists is a flat tire without a spare one within reach. And even for those who have a spare tire, there are certain risks that accompany the process of changing a tire at certain hours of the night. Skilled towing experts from Baltimore Tow Truck can rush to the scene and help out with the tire change.

And still another commonly encountered situation by motorists is a car that won?t start. The towing experts from Baltimore Tow Truck can also get to the scene as fast as possible to help jump start the car or tow it to a reliable shop.

Baltimore Tow Truck is a locally operated Baltimore towing services company. Because of their track record, many residents of Baltimore and neighboring areas see the company as a dependable provider of towing services and 24-hour roadside assistance.

Those who want to learn more about their services or would like to request for their service can visit their blog site at https://baltimoremdtowtruck.blogspot.com/, or call them on the phone or contact them via email.
