July 22, 2019 - PRESSADVANTAGE -

It is a relief for people with back problems that require the use of back braces. ICBB has announced that people can now access back braces that are covered by different insurance companies. The good news is that the back braces will be available online and anyone can order from the comfort of their home.

During the announcement the company stated that, "If you or your loved one suffers from chronic pain or are recovering from surgery or injury, InsuranceCoveredBackBraces.com may be able to provide you with a back brace to provide the therapeutic compression and support needed?and many times covered by your medical insurance plan.

Our company is contracted with most major medical plans and will work with your insurance company so you can receive your back brace at little to no out of pocket cost. Our dedicated team of Customer Service Representatives (CSRs) will work with you and your doctor to determine the best brace for support and/or compression based on your specific needs. Our dedicated customer service team is available to help you between the hours of 8:00 a.m. to 5:00 p.m. CST, Monday through Friday. MedSource is accredited by the Joint Commission.

Our corporate office is located in Bloomington, Illinois.?

Insurance Covered Back Braces (ICBB) was created to provide an easy, straightforward way to receive a back brace through insurance. ICBB is part of larger company ? MedSource, LLC ? which has been a leading provider of medical equipment for decades. MedSource created Insurance Covered Back Braces ? to give those suffering from chronic back pain a way to receive the relief they deserve with little to no out of pocket cost.
