HILTON HEAD ISLAND, SC ? The Pattisall Group, the Hilton Head real estate firm that specializes in mid-range and higher value properties, announced today that it is now offering an expanded selection of listings. Now, Pattisall Group enables buyers to discover and acquire properties both on-island and off-island, including Wexford Properties, Long Cove Properties, and Hilton Head Plantation Properties. Pattisall Group works with buyers of homes, condos and land.

?One of the really magical things about the Low Country area of South Carolina is the range of real estate we have to offer. There are opportunities to buy at many different price points,? said Richard C. Pattisall, Jr., CEO of The Pattisall Group. ?Our goal is to make matches between buyers and properties in ways that create an auspicious win-win for everyone involved.?

The Pattisall Group?s website makes it easy to locate mid-range and higher value properties in the Low Country. Typical listings go from \$250,000 to over \$1 million. On-island communities include Sea Pines Plantation, Forest Beach, Palmetto Dunes Plantation, Wexford Plantation, Long Cove Club, Shipyard Plantation, Mid-Island Beaches, Port Royal Plantation, Palmetto Hall Plantation, Indigo Run Plantation, Hilton

Head Plantation, Windmill Harbour and select off-plantation neighborhoods. Off-island, the firm serves Colleton River Plantation, Belfair Plantation, Berkeley Hall Plantation, Hampton Hall Plantation, Palmetto Bluff Plantation, and select other communities both on- and off-plantation.

The communities shown on the site either have or are also easily accessible to golf, tennis, swimming, biking, kayaking, canoeing, boating, walking nature trails, restaurants, shopping - all the amenities enjoyed by permanent residents, part-time residents, and vacationers.
