Dallas, Texas-based broker iSmart Realty, in conjunction with MainVue Homes, is proud to present MainVue?s new and exclusively designed luxury homes, situated within the esteemed MainVue Phillips Creek Ranch neighborhood.

As noted on the builder?s website, MainVue Homes is a subsidiary of the Henley Properties Group and Sumitomo Forestry Group, who have been building homes and developing master-planned communities in Asia and Oceania?and have recently expanded to the US market. MainVue Homes is active in the greater Texas area, which includes Colleyville, Frisco, Prosper, and Celina. The builder is known for their bright, open floor plans, modern color schemes, sleek outdoor fireplaces for entertaining, and their ability to imbibe a contemporary aesthetic into their work.

Phillips Creek Ranch is an exclusive MainVue Homes development situated near Highway 121 and the Dallas North Tollway, featuring a highly manicured master-planned community with 11 miles of hiking and biking trails and 102 acres of green space, lakes, and parks with 22 life-size bronze horse sculptures to showcase the land?s history. It boasts both a resort-style lap pool and children?s pool, state-of-the-art fitness

center, an 8-acre Vista Park with views of Lake Lewisville (which also acts as an open-air pavilion for concerts, movie nights, and community events). The development also has easy access to high-end shopping centers, such as Legacy West, The Star, Wade Park, and Stonebriar Centre, as well as access to the highly desired and preferred Frisco Independent School District. MainVue Homes is a worldwide leader in new home design and construction, bringing their customers access to the latest in home design via the best customer care imaginable. Daniela Jeria, one of Phillips Creek Ranch?s new residents, said in a Google review, ?My experience with MainVue Homes far exceeded any expectation I could have set. From the first time I toured the models, to working with my exceptional sales consultant, Tony Ingram, to moving into my brand new home, Tony made the experience of buying a MainVue home smooth and enjoyable. The construction process was also made very clear and simple, and Jimmy Johnson delivered a house that we are proud to call home and will enjoy for years to come. I highly recommend this builder to anyone interested in building within the DFW area.?

Another client, Madeline MacIntire, said, ?MainVue Homes builds quality homes with designs, unlike any other Texas volume builder. The international influence shines through their design features, like the cabinetry, lighting, smart use of space, and all the contemporary linear features. In an instant, you can definitely feel the luxury lifestyle when you walk into one of their model houses.?

Furthermore, customers can access the latest MainVue Floor Plans by visiting the www.BuilderHotSpots.com. They can also choose from the company?s five riveting color palettes, each professionally selected by a team of MainVue designers to blend, layer, and pop throughout the exquisite range of MainVue Homes choices. In addition, MainVue is introducing two distinctive and compelling façade collections; namely the Urbane façade collection and the Cosmopolitan façade collection?each with variations that assure their own unique look. Homeowners can choose from a selection of accents and finishes that will showcase their personal preferences whether they desire straight, modern lines and roof angles or soaring roof pitches with expanded stone and intricate brick details. They have recently started development in a new neighborhood called Ridgeview Crossing which is located in Allen Texas.

iSmart Realty is a Dallas based brokerage firm with over 19 years of experience in the local real estate market. They have previously worked with top builders, including Toll Brothers, Grand Homes, David Weekley Homes, and now MainVue Homes. ?We are a brokerage firm who has successfully invested, remodeled, and sold numerous properties in Texas. We also help homeowners avoid foreclosure during a market crash because of our intensive knowledge and connections within the local real estate market,? affirms Cat Nguyen from iSmart Realty.

More information about MainVue Homes can be found on the builder?s website. Alternatively, homebuyers can check out the Builder Hot Spots, where they similarly feature other MainVue Homes and their

master-planned developments. Interested parties may also connect with either of the companies? official social media pages to stay up to date with their latest news and announcements.
