July 26, 2019 -

MainVue Homes has expanded to the Dallas Ft. Worth area and now building in Allen, Texas. They are known for their bright, open contemporary floor plan and soaring ceilings. What differentiates their styles are the majestic rectangle windows. They are also installed in the open 2nd floor walls in the living rooms, giving their homes natural lighting. MainVue Homes is currently the only home builder that is building contemporary homes at this volume in the United States market.

Ridgeview Crossing in Allen Texas is 23 miles northeast of the City of Dallas. MainVue has started construction on 10 of their popular floor plans. The neighborhood is located near Sam Rayburn Tollway and Highway I-75.

The neighborhood is estimated to be about 262 lots that will be available to homeowners. MainVue Homes anticipates building on half of the lots that are available in the neighborhood. Features in the neighborhood includes a amenity center with resort-style pool, veranda, seating and a barbecue pit. There are over five

acres of open space that includes a 2.3 acre park with playground.

Shopping nearby includes Allen Outlet Mall, Fairview Town Center, Target and Whole Foods Market. It would take about 7 mins to get to all of these shopping centers. There are also numerous restaurants nearby located off of Stacy Road which lies South of the neighborhood.

At this moment home prices starts from the $600,000's to $800,000's in this neighborhood. MainVue Homes is offering 10 unique floor plans that will be available for selection. There are currently several lots to choose from in Ridgeview Crossing.
