Their most recent review, written by Janice O'Neil, says, "Joel from Straight Arrow Roofing is personable and professional. He knows his stuff, about roofing, and took photos during his inspection to show us what work needed to be done and why. His crew came exactly when they said they would, and worked for 12 hours to get the work done and the property cleaned up. The next day a second clean up was performed. The roof looks fantastic and, best of all, there are no more leaks in the living room ceiling, thanks to Joel and his Straight Arrow crew." The outstanding response time, combined with the quick and excellent job they did replacing the entirety of my roof, led me to hire them multiple times over the years. They are my go-to company whenever I need to do some repairs on my sidings or skylight, though I have not needed any repairs on my roofing since their initial replacement.
