

Las Cruces Directory Offers 360 Virtual Tour Google Interior Street View For Business Listing

July 31, 2019

July 31, 2019 - PRESSADVANTAGE -

Las Cruces Directory, based in Mesilla, New Mexico, has announced that local businesses in Las Cruces, New Mexico can now have their 360 Virtual Tour added to their business listing on the business directory. This is made possible by Rio Bravo Media, which is a Google Trusted Street View Photographer specializing in 360 Interior Street View Virtual Tours.

A spokesperson for Las Cruces Directory says, "The virtual tours can be also added to their Google My Business Page, their Facebook page and embedded on their website. Las Cruces Directory allows people to explore various businesses, restaurants, hotels and inns in Las Cruces to give them an idea of where they can go for their various needs when visiting the city. With the virtual tour, potential customers can now virtually experience what it is like to go inside a particular establishment, which can add to the appeal of a particular business."

Rio Bravo Media offers Las Cruces businesses the opportunity to have a Google Maps Indoor Street View Virtual Tour of their establishment, both inside and out. These virtual tours offer the advantage of potential customers virtually entering through the front door and exploring the establishment more thoroughly.

The embedded virtual tours will work perfectly on any computer, laptop or mobile device. The virtual tour may also be placed directly on websites, sales presentations, Facebook, and in emails. Thus, it can be one of the most engaging, far-reaching, and affordable marketing tools that businesses can have.

They want to point out that local search results on Google are very competitive and oftentimes, a virtual tour can be enough to provide the boost required to let the business stand out from the crowd. Statistics has shown that adding a virtual tour boosts customer engagement online. In turn, this increases the chances of them actually visiting the business.

Specifically, virtual tours have been found to double the interest in the business. Thus, the virtual tours made possible by the Rio Bravo Media Google Street View Trusted Photographers can help take the business to the next level.

The Street View technology used by Rio Bravo Media LLC brings that particular business to life in a high quality 360-degree, interactive tour. This virtual tour will be found on Google Search results, and Google Maps will be able to provide customers with a better sense of the layout, ambiance, and decor of the establishment.

Meanwhile, Las Cruces in Southern New Mexico has been voted several times in various publications as one of the best and most affordable places to live and retire. It is found in the fertile Mesilla Valley and offers exhilarating views of the Organ Mountains. The business directory helps both Las Cruces residents and visitors find restaurants, hotels & inns, and other businesses that they need.

For instance, people can find the best places to stay in Las Cruces like the Ramada Hotel & Conference Center by Wyndham, Comfort Inn and Suites, Fairfield Inn by Marriott, and Quality Inn and suites. Other places include Home2 Suites by Hilton, TownePlace Suites, Drury Inn & Suites, SpringHill Suites by Marriott, Hampton Inn & Suites, and Hilton Garden Inn Las Cruces.

For restaurants, people can try Subway, Saenz Gorditas, Rudy's Country Store and Bar-B-Q, and Starbucks Coffee. Other restaurants include Zia Cafe, Amador Patio Bar & Grill, Lodel Local Food Delivery, Saint Clair Winery and Bistro, Zeffiro New York Pizzeria, K Bowl, Wienerschnitzel, Wing Daddy's, Wingstop Restaurant, and Wok N World. For local shopping and services, people can go to Reclaim Wellness, LC Electric, RCI Power and Lighting Inc., Mary Jane's Pilates Studio , and DLO Electric Inc.

Las Cruces Directory has the goal of helping local businesses increase their business. They can also offer their help to local businesses with regards to websites, SEO, citations, 360 virtual tours, reviews and reputation management, Google My Business optimization and setup, press releases, and other digital

services.

Those who require more information regarding the services offered can visit Las Cruces Directory on Facebook or their website.
