NORFOLK, Va.? A local Norfolk awards store, G & W Gifts and Awards, is featuring their latest line of executive gifts. The Norfolk awards store has a line of clocks, desk accessories and crystal awards for employers who would like to recognize their employees for their achievements.

G & W is featuring their line of clocks for employers to reward their employees. G & W?s clocks are made from real wood of different types such as cherry wood, mahogany, rosewood, piano wood and more. These clocks come in different shapes and sizes for clients to choose from. They may also be engraved, with personalized metal plaques to finish the look clients are looking to achieve.

Ruth H, a loyal customer of G&W Gifts and Awards, stated, "This place is chock full of really cool items for team sports and corporate gifts. They do engraving for the products they sell. Friendly and attentive staff who work with you every step of the process."

G & W is also featuring their line of desk accessories for employers to give their employees. Desk accessories range from desk plates, paperweights, pen sets and more. All of these custom gifts come with

wood that has been carefully checked for quality. They also provide custom engravings by request for each of these desk accessories.

The third item in their line of featured executive gifts, G & W is featuring is the crystal award. Crystal awards are made from the best crystal the company has to offer, according to the team. Crystal awards in Norfolk come in many sizes and forms such as vases, glasses, bowls, paperweights, trophies and more. Sizes vary between awards, and some may even be made with custom shapes if requested. All awards have the option to be custom engraved as well. G & W strives to provide their community with the best quality crystal awards to recognize the finest achievements of employees.

Since 1959, G & W Gifts and Awards has been helping clients recognize success in the Norfolk area. Many executive gifts come from G & W Gift and Awards, according to the awards company.
