Potential homebuyers in Vero Beach FL may check out Karen Mathers' website to check out all the active listings in the area, as well as to know the benefits of living in a 55+ community. Vero Beach 55+ communities offer a wide range of benefits, including the opportunity to join health-promoting activities through their fitness and recreational centers.

Vero Beach 55+ communities also allow homeowners to achieve a sense of belongingness, autonomy and security. "The sense of belongingness and community that a 55+ neighborhood provides is different from that of a typical standalone residential neighborhood," Karen Mathers explained. "This is because adults living in a 55+ community often have the same goal of creating lasting friendships and working together to advocate certain issues," she added.

As a real estate agent, Karen Mathers is always committed to serving her clients in the most honest and professional way possible. Having been a longtime resident of Vero Beach FL herself, she already has her fingers on the pulse of the market. "My passion is working with you to find your dream home for your retirement. Whether you are selling your home straight away up north to move here to the fun in the sun or you are first going to buy a home here at these awesome prices while transitioning, perhaps enjoying being snowbirds for the first few years? I am here for you," she said.
