The California based Los Angeles DUI Lawyer would like to make the residents of Los Angeles aware of their DUI attorney services. With so many people in the state finding themselves facing drunk driving charges every year, it is important for residents of the city to have access to a reliable, proven legal service for DUIs. These charges can be a serious inconvenience and may even have serious effects on one?s life if one does not have the right legal representation. A drinking and driving lawyer represents one?s best hope for a positive resolution to their case.

DUI offenses attract severe punishments for those charged in Los Angeles. The DUI laws in California state, ?Everyone commits an offense who operates a motor vehicle or vessel or operates or assists in the operation of an aircraft or of railway equipment or has the care or control of a motor vehicle, vessel, aircraft or railway equipment, whether it is in motion or not.?

A conviction can alter one?s life quite seriously, and it is extremely important to ensure that one hires an

attorney with the knowledge and experience needed to navigate a DUI case. The consequences of a conviction may include cancellation of one?s license, impoundment of one?s vehicle, expensive fines, being required to attend an education or treatment program, ending up with a criminal record, jail time, and many other things that can impact one?s life in many ways. At the lightest end, these consequences are an inconvenience. In serious cases, they can put a person?s life entirely on hold.

?When a police officer has reasonable grounds to suspect that the accused is driving under the influence, it is a criminal offense in Los Angeles for that person to refuse to give a breath sample,? says the firm. ?The sample is required to assess the Blood Alcohol Concentration (BAC) in the driver?s body. In such cases, the person will be charged with refusing to provide a sample. Additionally, the accused will also be charged with impaired driving as well. The first thing you should do when you are charged with refusing to take a breathalyzer in Los Angeles California is to get in touch with an experienced and reliable Los Angeles DUI lawyer who will prepare your DUI refusal defense. There are several angles that can be taken into account when dealing with this law. Our team of DUI lawyers has consistently been successful in getting a DUI refusal dismissed in the courts of Los Angeles.? Learn more at the following link: DUI Refusal Defense Los Angeles.

Refusing to blow into a breathalyzer carries a number of penalties in Los Angeles and some of the consequences can be quite harsh. One might face stiff fines on top of those from the standard California DUI penalties. It can also lead to a mandatory license suspension regardless of the result of one?s DUI case. One has no right to refuse a breathalyzer test once they are lawfully arrested for a DUI, and anyone proven guilty of a DUI will automatically face another 96 hours jail time and a 2-year license suspension for first time offenders?with each offense incurring stiffer and stiffer penalties.

To avoid this, those who are arrested and charged with DUI offenses are encouraged to contact a DUI defense lawyer. A qualified lawyer would have the knowledge and experience needed to get any client out of a DUI case, allowing them to return to their life without having to deal with any of the usual problems associated with DUI charges.
