Business Alabama is a publication that covers business, large and small, in all sectors of the Alabama economy. From emerging technologies to vital manufacturing clusters, Business Alabama has been tracking the growth of the Alabama economy for over two decades. Over 50,000 executives, managers, professionals and business owners read Business Alabama each month. Business Alabama is produced by PMT Publishing, an Alabama-based company that has been in business for more than 25 years.

The Best Companies list is designed to identify, recognize and honor the best employers in Alabama benefiting the economy, workforce and businesses. The Best Companies to Work for in Alabama selection process involves two steps. First, each participating company's workplace policies, practices, and

demographics are evaluated by the Best Companies Group. This portion counts for approximately 25 percent of the total evaluation. Second, employees of the participating companies are asked to complete anonymous surveys that assess the experiences and attitudes of individual employees with respect to the workplace. This section is worth approximately 75 percent of the total evaluation. The combined scores determine the best companies and final rankings.

Best Companies Group (BCG) works with national and local partners to establish and manage Best Places to Work, Best Companies and Best Employers programs. Through its thorough workplace assessment, utilizing employer questionnaires and employee satisfaction surveys, BCG identifies and recognizes companies that have been successful in creating and maintaining workplace excellence.
