

Over 30,000 Companies And People Rely On Cranes For Sale Online

August 12, 2019

August 12, 2019 - PRESSADVANTAGE -

Crane Network LLC, a Chicago, Illinois provider of cranes for sale online including rental, has revealed that more than 30,000 individuals and companies are relying on their online services to effectively manage their fleet for the sale and rental of cranes and equipment. This means that the company makes it easy for companies or individuals to sell their construction crane. In fact, the company offers marketing packages depending on how long they want their crane to be listed on the site as for sale.

“We have been connecting buyers and sellers of cranes, heavy equipment, parts, and attachments for 20 years,” says Paul Paliwoda, chief operating officer at Crane Network LLC. He continues, “As one of the oldest, most recognized names in the online equipment marketplace, Crane Network has maintained its position simply by meeting its mission: To actively assist you in the sale of your equipment. That is why more than 30,000 companies and individuals now depend on us in managing their fleet of construction equipment. If they need to dispose of some cranes, they can come to us and we’ll help in selling them. If they need to rent a particular crane, they can also come to us because we have a ready list of equipment for rent.”

For instance, Crane Network LLC has a several cranes for sale on their site. These include the 2012 Grove

GMK6350L from Marcello Cranes; the Liebherr LTM 1070-4.1 from AMCO Machinery & Consulting; the 2106 Grove GMK5250L from Ayr Equipment International Inc.; the 2008 Demag AC160-2 from Quality Cranes & Equipment LLC; the 2017 Grove GMK5150L from Quality Cranes & Equipment LLC; the 2012 Grove GMK 5165-2 from Quality Cranes & Equipment LLC; and the 2002 Liebherr LTM1250-1 300 US Ton All Terrain Crane from Quality Cranes & Equipment LLC.
