Leading Leduc Roofing Company Receives Top Marks In New Customer Review

August 14, 2019

August 14, 2019 -
Edmonton, Alberta based DDCL Roofing & Maintenance is pleased to acknowledge recent feedback from a customer who appreciated that the company fixed minor problems they discovered while painting the customer?s townhouse. The company is delighted to receive the customer?s online review, and invites all their customers, new and old alike, to leave their own honest feedback.

Paula Melnyk gave the company high praise for their work. She said, ?DDCL recently painted my whole townhouse. This included the walls, doors, trim, and baseboard. The quality of their work was excellent. They paid attention to minute details, and even fixed minor problems for me that were discovered during their work. The staff were polite and cleaned up after themselves.?

DDCL is well-known for installing, replacing, and maintaining metal roofing. They also provide maintenance services and renovation of washroom for homeowners. Daniel Foulkes, CEO of DDCL, said, ?We are always delighted to receive customer feedback. We hope that everyone will be honest and, if they have had a problem, that they will give a call so we can fix it.? Interested parties may read the new review in full and leave their own feedback here: DDCL Customer Review.

Many people overlook small repairs, but correcting such faults early gives the best return for hard earned money in the long run. The company can provide residential maintenance services to ensure any small problems do not become huge liabilities if they are left unaddressed. Their preventative residential maintenance solutions ensure that residents in the Edmonton, Leduc, and Nisku areas can get great service at affordable rates to have any problems fixed before they require more drastic solutions. Notably, DDCL can provide a free quote if clients wish to renovate their entire property or begin a smaller project.

Those considering the company?s services will be pleased to learn that DDCL has achieved an overall BBB (Better Business Bureau) rating of A+. They were recently featured in Digital Journal, in an article that highlighted their use of high-quality supplies and materials, as well as standard materials, with long warranty periods. This has helped ensure that all their customers receive the best installation and maintenance options to keep their roof in top shape.

The company provides exceptional roofing services in Leduc and is the top-tier roofing contractor in the area, with over a decade of professional roofing experience. Every roof is unique, and the company takes every consideration into account to create a precise solution to thoroughly resolve any issues. They can undertake even the most challenging requirements, and will work to ensure that customers are completely satisfied with their service. Learn more at the following link: Roofing Leduc.

Furthermore, DDCL only deploys teams of qualified, insured, and bonded professionals. This enables them to quickly identify any problems with a given roof. Another customer provided feedback for their service, giving them a 5-Star review. Anne Nixon said, ?We are impressed with the thoroughness of their work. Extremely satisfied and would not hesitate to call them at any time. They go above and beyond.?

Since roofing emergencies can happen any time, the company ensures that they are able to provide 24/7 emergency coverage with a quick response time. Company representative Daniel Foulkes stated that, ?We often meet our customers during one of the most stressful moments of their life. Due to this, we aim to be there as soon as possible and avoid making a bad situation worse. We recently launched a new website that enables our customers to call us directly through any internet capable device."

DDCL?s new website provides more details regarding their services, which include roofing, residential property maintenance, remodelling, and more. Customers may contact Daniel Foulkes to make any inquiries about the roofing company, or connect with DDCL through their official social media pages to learn more. Furthermore, customers may drop by the company?s Edmonton premises to discuss their roofing projects in person.
