

New Homes In Prosper TX Now Available At Builder Hot Spots

August 14, 2019

August 14, 2019 -

Builder Hot Spots, a company based in Plano, Texas, that offers the latest info on new homes in the Dallas-Fort Worth area, has announced that a new home has been recently made available for sale at the Windsong Ranch community in Prosper, Texas. Windsong Ranch is a 2,000-acre master-planned community with more than 600 acres of green space and is located within the Prosper Independent School District and includes Rucker Elementary, Windsong Elementary, Prosper High School, Reynolds Middle School, and Rodgers Middle School. The 600 acres of open space is made up of lakes, creeks, wooded areas, walking trails, and outdoor sports courts.

The specific home that has recently been made available for sale at Windsong Ranch is the Vienna Q2-2, which has five bedrooms and 5.5 baths. The builder is MainVue Homes and it has a total of 4,318 square feet. Its price starts at $699,577.

The Vienna Q2 five-bedroom home is provided with a convenient J-Swing design with double car garage and

a separate single car garage. It has a main floor guest suite with private bathroom. It is also provided with a soaring double story foyer, great room, and dining room. A gourmet kitchen with grand butler?s pantry with additional walk-in pantry allows the residents to do some cooking in style. The house has a separated study off the foyer and an upper floor theater room and leisure room for additional entertainment space. The master bathroom features a free-standing designer tub. And there is a centralized signature outdoor room.

MainVue Homes, the builder of the Vienna Q2 houses was the first builder to have built contemporary homes at that quality and volume. These homes have an open floor plan, a stucco exterior, and vaulted ceiling in the master bedroom. The homes built by MainVue Homes also feature luxury outdoor living, a built-in fireplace, and an outdoor room enclosed option. They belong to a worldwide company that offers buyers access to the latest designs. And being a global builder, they are able to leverage their buying power and the savings are passed on to the customers, resulting in reasonably priced luxury homes.

Aside from the two homes that MainVue Homes has built at Windsong Ranch, the company has also built homes in the Ridgeview Crossing community, Phillips Creek Ranch community, Fairwater community, and Light Farms community. Aside from the Vienna Q2 home at Windsong Rach, MainVue Homes is also ready to build the Brighton Q3, a 4 bed, 3.5 bath home; the Positano Q3, a 4 bed, 3.5 bath home; and the Lyon Q3, a 4 bed, 4 bath home.

Builder Hot Spots is a website that provides the latest information on new home builders and new home communities in the Dallas-Fort Worth area. Visitors to the site can search for new homes with thousands of floor plans and interior images. People can quickly filter through homes, save their favorite home, and schedule a home viewing. Builder Hot Spots also offers a resource center to educate people about the building process. Those in the market for a new home can sign up for and get notified of Builder Promotions.

Builder Hot Spots allows home buyers to browse new homes by city so that people can find the perfect home in the area in which they wish to move. Also, the website has a directory of home builders in Dallas. Each builder included in the directory has a short description of the company, and, below the description, are listed a selection of homes the builder has constructed in various neighborhoods.

With the power of Builder Hot Spots at their fingertips, homebuyers can locate a home quicker by using the quick search filter.

Those who require more information about the Vienna Q2-2 house of sale can visit the Builders Hot Spots website or the MainVue Homes website, or contact them by phone or via email. Those interested can also go directly to this home by clicking here.
