The dental care provider?s services are guaranteed to leave each patient?s mouth healthier and their smile brighter. The professionals at Solana Family dental understand the importance of healthy teeth to one?s confidence and self-esteem, so they emphasize professionalism, comfort, and compassion with every patient. Every procedure is handled by a highly trained professional with a strong background in the field and a passion for helping people maintain perfect oral health.

Every procedure is carried out using the most dependable practices, premium materials, and state of the art equipment. Some of the procedures performed at Solana Family Dental include Invisalign, cleaning and prevention, periodontal disease treatment, and full mouth restorations. These procedures, along with many others, help patients create or restore their beautiful smiles.

?I've been going to Solana family dental for two years now and I always love how friendly and patient everyone is, and how they always make it their top priority to make sure your comfort and concerns are met,? says one 5-Star review of the dental service provider. ?I do feel welcome like family whenever I go; they know me by name and I'm not just another customer to them. Initially, I came in to get a second opinion on work done by another dentist, and I am glad I did because the experience of this clinic is vastly better. I am really glad I found this clinic and I have been back many times since!?

Another patient says, ?I'm very happy I chose Solana Family Dental. The front desk staff was easy to work with, and they were proactive in getting me the first available appointment. The medical staff was very professional and courteous. Dr. Sandler was amazing, made me feel at ease, took her time in explaining all the procedures and work to be done on my teeth, and assured me I was in charge of my treatment. First class office!?
