August 19, 2019 - PRESSADVANTAGE -

Riccarton, Christchurch based Zebra Cash Advance is proud to announce the launch of their brand new website. The company, which provides short term financial aid to those who need it, believes the new website will make the process of obtaining a cash advance incredibly simple for new and existing clients alike.

Zebra Cash Advance says, "People who need financial aid usually need it on very short notice, which means they don't want to jump through multiple hoops in an urgent situation. This is why we created the new website from the ground up: to enable everyone who needs a cash advance to get it by taking a few relatively simple steps. At Zebra Cash Advance, we aim to make financial solutions accessible for everyone so you don't get caught up in bills and expenses." The company continues, "With us, you can reclaim your spending power. Visit our website to learn more about the services we provide and apply online now. Our team can most assuredly help you secure the amount of money you need, when you need it."

The local New Zealand business has made a name for itself by giving their clients the ability to seek monetary relief with much less hassle than they would have to deal with if they used the more "traditional" channels. Zebra Cash Advance puts customer satisfaction at the forefront and is keen on helping their customers deal with the unexpected costs and financial surprises that pop up from time to time"while being upfront and transparent throughout every step of the process.

The team at Zebra Cash Advance is available for customer support during usual New Zealand business hours in case anyone wants to contact them for clarifications. However, the website is now available 24/7 for anyone who needs to urgently apply for financial aid. The company provides a 60 minute guarantee: Zebra Cash Advance ensures that, once someone has applied for financial aid and been approved, they will have the funds in hand within the hour.

The company notes, "We've made ease-of-access our primary goal because we understand that emergencies should be treated as emergencies. Our online application form is available all day, any day of the week. All you need to do is fill in your application, provide your bank statements and other necessary details, and send your application over. We will assess, process, and hopefully approve your loan and get back to you as soon as we can."

Zebra Cash Advance continues, "Other financial aid agencies are more limited or unsecured in their process, but not us. We provide a service you can depend on and try to help out as many applicants as we can. This is because we understand that having great credit history isn't always easy or even possible. We care about your success just as much as you do. We're here to work together with you, which is why you'll find that customer complaints are few and far between."

A recent customer, Peter M. says, "I cannot express in words how much of a help Zebra Cash Advance has been to me. They are such an amazing service. I had overspent on a personal project of mine recently and was in urgent need of cash. Since I've not had a lot of experience with cash advance companies like Zebra, I was worried when I first learned of them. However, I encountered no problems with them. I applied, waited to be approved, and then I had the money in my account within the hour."

Another recent customer, Lucy W. says, "Zebra Cash Advance helped me out of some really tight spots. Student life can be harder than you expect and you end up dealing with some nasty financial surprises. But Zebra Cash Advance was there for me when I needed it. Money in my hands, straight to my account. Paying them back was super easy, too. Great company with even better customer service. Can't recommend them more."

Those who are interested in learning more about Zebra Cash Advance's services, or are looking to get financial aid from the company, can find more information on their new website. In addition to the website, Zebra Cash Advance also maintains a presence on Facebook at <https://www.facebook.com/zebraloans/>.
