*August 20, 2019*

August 20, 2019 - PRESSADVANTAGE -

500 Rockets Marketing, a marketing agency based in Austin, Texas, is pleased to announce that they now provide digital marketing audits. The company offers a variety of digital marketing services, such as naming, pay per click management, email marketing campaigns, and digital marketing strategies.

Matthew Brutsche, 500 Rockets Marketing CEO and representative, says that hiring the agency, "to work for your company is like hiring a supercharged second marketing department. With all the experience we have in marketing, we can say with certainty that the whole marketing process can be maddening. There are so many approaches to consider, so many different tools to use?But no company?s marketing department can focus on everything. That would just stretch you too thin. That?s where we come in. 500 Rockets Marketing fills in the blanks in your marketing department.?"

Brutsche continues, "You know you can do more. So much more, and I?m sure you want to do it, but your marketing team can?t handle it all without being overwhelmed. 500 Rockets Marketing, however, has a team of experts with years of experience in the marketing industry, digital and otherwise, who can use the foundation you?ve laid as a starting point and expand the reach of your company. We will bring the

knowledge, the experience and the sheer workforce you need to get your messages carefully constructed and dutifully delivered to your audience. Sometimes, you don't even know what you might be missing or what you could do better. 500 Rockets Marketing can help you there, too. That's where our marketing audits come in.?

A marketing audit refers to a comprehensive and systematic analysis, evaluation, and interpretation of a business's marketing environment. It considers both internal and external environments, along with the business's goals, objectives, strategies, principles. The purpose of this process is to figure the areas of potential problems and opportunities and to recommend a plan of action to enhance the firm's marketing performance.

500 Rockets Marketing offers audits that span a wide range of a business's areas of operation. They include Search Engine Optimization (SEO) audits, PPC audits, sales audits, business audits, and so on. As Brutsche says, "However much you might try to ensure that your company is perfect across the board, there will be areas in which you are lacking. It might be your SEO or you might have some issues with the code on your website. Maybe your marketing strategy needs to be redone or you need to investment in new forms of advertisement. By letting us audit your business, you can find out which areas need help and how you can improve them.?"

He emphasizes that 500 Rockets Marketing is an all-services marketing company. Their services extend to a wide variety of marketing fundamentals and more specific niches, from web hosting to SEO and adwords, branding, and strategy to content creation and curation. Brutsche states that the agency is willing to work with each and every one of their clients to maintain the budgetary requirements they deem necessary. He says, "After all, our aim is to ensure that our clients get the best results. We want to see you succeed.?"

A 5-star review for 500 Rockets Marketing, from Tamara H. on Google, reads "I can't say enough nice things about 500 Rockets Marketing! You cannot go wrong in choosing this company for your marketing needs! They are professional with a personal touch. They created a wonderful website for our firm and launched a wonderful branding campaign that makes us stand out from the others!?"

Another recent client of 500 Rockets, Thomas F. says, "My experience with 500 Rockets has shown me that they are a dependable company. Matt has a forward thinking philosophy and it has really helped my company. My family business has always had moderate success, but after 500 Rockets did their magic, we built a solid online presence, and there has been a noticeable growth in our annual revenue. I can rest assured that my business will only keep growing and I can hand a larger, more successful business to my son when it comes to that.?"
