

Whitegoods Rental Bankstown NSW Now Using An Improved Application System With More Payment Options

August 28, 2019

August 28, 2019 - PRESSADVANTAGE -

In the past, those who offered rental whitegoods often had a reputation for not accepting a big percentage of applicants. Now a Bankstown, New South Wales whitegoods rental company is trying to change that by offering easier acceptance terms and more payment options. This will enable more people that really need them to have access to the company's whitegoods. The company is appropriately named 'Easy Payment Options'.

Company spokesperson, Richard van der Velde, had this to say about the company's easier application system, 'In being around this type of business for a long time I have felt many people's frustration when they applied to rent whitegoods but had their applications rejected. It's not something you ever want to happen to a potential customer. Now we are offering a more flexible application process that is done over the phone. Because we talk to everyone in person we are no longer just looking at numbers with strict guidelines. There is now some wiggle room in the figures and we are saying 'yes' to more people than ever before. It's also a great way to add a personal touch to the business and show applicants that we have integrity and respect them.'

Rent Whitegoods new application process can be seen by following this link: <http://urlnk.net/bankstown-nsw>
This webpage goes into much more detail about the companies improved application process and the many different rental payment options their customers? now have.

van der Velde mentioned that they like to offer many different rental payment options because no two people are ever in the same financial situation or have access to the same types of payment options. He said the company is now much more flexible in that area too. Some of the payment solutions that the company offers include Centrepay and Direct Debit Payment Agreements.

The company spokesperson also stated that the payment method a customer wants to choose can have a direct impact on whether or not that application is accepted. If a person pays using direct debit or some other form of automatic payments, they then have an even better chance of having their whitegoods rental application accepted.

The company makes a wide variety of whitegoods available to those that wish to rent them. It was already mentioned that refrigerators and washing machines are popular items to rent from Easy Payment Options. Their list of whitegoods also includes dryers, dishwashers, large size freezers, and bedroom furniture. Some of the more unique rental items they have are their lounge suites and their heating and cooling products. One can even go through the application process to get a high-end smartphone or a brand new laptop.

van der Velde also talked about why people choose to rent whitegoods instead of buying them by saying, "Some of the most used items in any household are appliances. That's why it's not surprising when something like a fridge or washing machine breaks down. These are not items that are very easy to live without. The problem being, these items can be quite pricey to replace, this is especially true for quality made whitegoods. That makes renting these whitegoods a great solution to the problem. When a person has a variety of payment options to choose from it makes this even more convenient for them. Not to mention, whitegoods rentals don't take a huge chunk out of an already overstretched budget like a lump sum whitegoods purchase does."

This whitegoods rental company does not just limit the availability of their whitegoods to the Bankstown, area either. They have customers in all locations in Australia. More details on the locations where their whitegoods rental services can be taken advantage of can be seen here at <http://urlnk.net/swhitegoods> The website also has complete details on all of the whitegoods that are available for rent. Phone lines at Easy Payment Options are open from 9 am to 5 pm on normal business days. The company representatives can also be reached by email. Company ABN 44 010 413 215 - Aust Credit License 388677
