August 26, 2019 - PRESSADVANTAGE -

TNL has announced that with their new location recently established in Houston, Texas, they aim to serve more Houston consumers and those from surrounding areas. They want people to know that they are focused primarily on helping those who have terrible credit, hardly any credit, or those who may be on the brink of foreclosure or bankruptcy, get cash with the equity in their car. More information about their new location can be gleaned at <https://www.thenetlender.com/locations/tnl-car-title-loans-houston-4>.

A spokesperson for TNL says, "To apply for a Houston auto title cash advance with TNL you will need a valid photo ID, a qualifying vehicle, a clear title, proof of residency and valid proof of insurance."

He continues, "You may discover there are several providers of this cash assistance, wanting your business, so why should you choose us, you might ask. For one, we have the knowledge and the expertise to be certain our borrowers have the greatest experience possible."

In addition, they have a broad range of companies who are ready to help consumers get the funds that they require. With their affiliate companies and their extensive network, TNL is able to help people who need to

get the money they need quickly and without any hassle. To check out their location in Houston, people can visit their Google Maps page at <https://goo.gl/maps/QkfnXaoq4Vt9PsTW6>.

They have more than one company that can provide the needed cash because this helps them optimize the opportunities for borrowers to get the cash that they need. They know that those who are in an emergency really don't have the time to wait around for the money. Thus, representatives from TNL, realizing the urgency, will get the application processed quickly so that they can get the cash as quickly as possible.

The spokesperson for TNL explains that what sets them apart from other companies offering the same kind of service is that they will make sure that the borrowers are capable of repaying the amount. Furthermore, they don't charge any fees when the client wants to repay the amount earlier than stated in the agreement. In fact, there are no hidden charges. The TNL representative that will be in contact with the applicant will help the consumer create a plan to repay the amount in such a way that it fits the individual's current income and budget.

Also, the TNL client will continue to drive the car during the course of the agreement. And for those who urgently need the cash, consumers can get it in less than 24 hours by calling them or applying online.

The spokesperson wants to point out that the cash assistance being offered is an excellent way to obtain the money for various reasons, such as monthly payments for the home, medical care bills, propane, unexpected expenses, unscheduled repairs for the car or property, and more.

The requirements for getting a cash advance from TNL in Houston are easy to comply with. These include a clean and lien-free title of the car; proof of insurance; the client's address; the client's driver's license; full ownership of the vehicle; ability to prove that the client has a minimum income of \$1,200 a month and that the client is 18 years or older.

The application process has three simple steps. First of all, consumers will need to submit an application online to see if they can qualify. The next step is for the consumer to prepare and submit the necessary documents as mentioned above. And the last step is when the consumer receives the cash, which is within 24 hours.

TNL has several branches and those who have already used their services have mostly positive things to say about the service. For instance, Jeremiah L. says, "I am the head of the household and I know that pressure one can get from bills and discrepancies in your credit. I used my car I bought before I got married and it turned out to be such a lifesaver for me. I took out about half of what I was offered and wasn't pressured any further. Thank you and hopefully my car will be eligible again if need be."

People who want to learn more about the cash assistance offered can visit the TNL website, or they can contact them on the phone or through email.
