Tailgate Sports Cafe: Take On Football Season With The Best Sports Bar In Minneapolis

August 23, 2019

August 23, 2019 -

The Minneapolis, MN based Tailgate Sports Cafe has announced that they are preparing to keep their title as Minneapolis?s Best Sports Bar as Football Season approaches. ?Whether it?s your first time or you?ve been here more than a hundred times, we?ll do our best to make your time with us as enjoyable as possible. Root for your favorite local team and join the gang here for the best Tailgate time,? said Bahman Razmpour, a representative for Tailgate Sports Cafe - Minneapolis.

Minnesotans are loyal to their local college teams, the Minnesota Gophers, and are similarly known for the outstanding support they show the Minnesota Vikings. This support and mutual enthusiasm is one reason why watching with family and friends is such a special event for fans across the state. Tailgate also televises the Wisconsin Badger Football and Basketball games, along with UND Hockey. Everyone loves to watch an exciting game, creating memories with friends and family. Being able to do so and have a great meal at the same time is probably the best way to enjoy it, along with the advantage of sitting at one of the 21 flat screens at the Tailgate Sports Cafe. Notably, many cafe patrons also claim it has the best burgers in town.

Jeremy Morin, a local guide on Google, gave them 5-Stars, saying that they had, ?Great wings, good service,

and beer. What more do you want from a sports bar?? He advised visitors to, ?Go on Monday to get a crazy good deal on wings, and any other day because the wings are legit. They have typical bar arcade games in the corner, a nice center bar, and good booths on the opposite side. Never had a bad experience at this place.?

There?s just something about watching a game at the best sports bar in the area that makes it an adventure. The Tailgate Sports Cafe provides the best combination of great food, reasonable prices, and fun every day of the week from 11 am until 2 am. Hella Montefiore backs this up in her 5-Star review, which reported that, ?Hanging out with old friends here, catching up, having wings, burgers or my favorite here, pizza with pepperoni, is a really fine night for me. This place gets a good crowd, the food is good, the servers are usually pretty quick.? Find the bar on Google Maps here: Best Sports Bar Minneapolis.

The bar?s ability to keep their customers entertained is represented in many ways, from the family friendly atmosphere with Karaoke on Tuesdays and Saturdays and Pizza & Pitcher night on Wednesday. Debbie Denise Lewis, a first time visitor recommends Tailgate Sports Cafe, saying, ?This was my first time going to Tailgate, I can honestly say that we had a great time. The food was very tasty. Friendly people, lots of smiles. All ages were showing up and showing off their talent singing karaoke.?

Razmpour stated, ?We want everyone to have a great time with us. Getting a customer?s honest feedback makes our day! If there is something we need to fix, or can do better, just come and let me know.? The sports bar is a popular choice with many local residents, and aims to top over 1,000 reviews on any of the most well known review platforms, such as TripAdvisor, Yelp, Google, or even the Tailgate Facebook Page. Through their Facebook Page, they post game events as well as their Game Day Specials, which are worth checking out.

Those who wish to view the menu and specials online can do so via the bar?s official website, and even call the sports bar directly. Dane Cole sums the average Tailgate experience up in his review: ?Tailgate is a must-visit for any night out. Great food, awesome drink specials! The venue is versatile for any size of group, the staff is incredibly attentive and friendly. Shout out to Jeff and Sherrie for helping create the perfect birthday celebration.?

The sports bar is open daily from 11am, and features happy hour specials and special events as well as extra deals on game days. For more information, contact Bahman Razmpour of Tailgate Sports Cafe directly. Customers are also invited to follow them on Facebook and share their own reviews online.
